INSTEAD OF A PREFACE.

The Coming Revival

When will it come? When we are ready for it. We cannot organize a revival, but we can organize ourselves.

The Marconi message comes only to the ship which has at the mast-head, a tiny instrument tuned into the rythm of the instrument from which the message comes. We have to get in tune with the Infinite. We have to bring our thoughts to the rythm of his thoughts who said, "I am come to seek and to save that which was lost."

We have tried to spread Christianity by quiet methods of propagation. It is not spreading. We want not propagation but propaganda. It is not enough to develope; we have to conquer. We need more than slow accretion; we have to go out and make disciples.

There is force enough already in the churches to conquer the world. But it must be mobilized.

Let us pray for the spirit of faith and enthusiasm.

W. J. DAWSON.

CONSTITUTION.

I.—That the name of this Association be “THE CONGREGATIONAL UNION OF ONTARIO AND QUEBEC.”

II.—That it shall consist of Congregational or Independent Churches, and of ministers of the same church order, who are either in the pastoral office, or (being members of Congregational Churches) are engaged in evangelistic or educational service, approved or received at a general meeting, and those laymen who have been Chairmen of the Union and are members in any of their churches.

III.—That this Union is founded on a full recognition of the distinctive principles of Congregational Churches, namely, the Scriptural right of every separate church to maintain perfect independence in its government and administration, and therefore, that the Union shall not assume legislative or administrative authority, or in any case become a court of appeal.

IV.—That the following are the objects contemplated in its formation: 1. To promote evangelical religion in connection with the Congregational denomination. 2. To cultivate brotherly affection and co-operation in everything relating to the interests of the associated churches. 3. To establish a fraternal correspondence with similar bodies elsewhere. 4. To address an annual or an occasional letter to the associated churches, accompanied with such information as may be deemed necessary. 5. To obtain accurate statistical information relative to the Congregational Churches throughout the British American Provinces. 6. To hold consultation on questions of interest connected with the cause of Christ in general.

V.—To promote the accomplishment of these objects, and the general interests of the Union, an annual meeting of its members shall be held, each of the associated churches being

represented by two lay delegates; the meetings to be held at such time and place as may be appointed at each annual meeting.

VI.—That the officers of this Union be a Chairman, Secretary-Treasurer, Statistical Secretary, Minute Secretary, and Committee, all to be chosen annually from its members, who shall execute the instructions of the Union, and prepare a docket of business for the annual meeting.

VII.—That alterations may be made in this constitution at any annual meeting, providing that notice of such alterations has been given at the meeting next preceeding.

STANDING RULES.

1.—Applications for admission to the Union, whether by churches or ministers, should be made in writing; and after having been read to the Union, shall be referred to a standing committee on membership. Churches so applying shall present the written recommendation of three members of the Union. Ministers bearing regular letters of dismissal from a kindred Congregational organization, and those who furnish evidence of having completed a course of study in the Congregational College of Canada, and having been ordained to the ministry, may be received at once on these grounds. Other ministers shall be required to bring proof of (1) their membership in a Congregational Church; (2) their ordination to the ministry; (3) if they have come from any other denomination, their good standing therein; and they shall satisfy the Membership Committee in relation to their literary acquirements, and their doctrinal and ecclesiastical views. (4) Should the Membership Committee be satisfied on these points, and recommend the applicant for membership, the recommendation shall be filed with the Secretary, and the application and recommendation shall then lie over until the next annual meeting, when a two-thirds vote of the members present shall be requisite for admission into membership.

2.—The Union shall meet annually on the Wednesday after the first Sabbath in June, at 9 a.m., when, if the elected chairman be absent, a chairman *pro tem.* shall be chosen. After a devotional service, minute secretaries and reporters shall be appointed, the Report of the Committee presented, and the Standing Committee on Business, Membership, Nomination, and Finance chosen on nomination by the Committee of the Union. At 11 a.m. the Union will rise, to give place to the Canada Congregational Missionary Society.

3.—On Wednesday afternoon the Union will hold no public session, in order that time may be given to the work of several committees.

4.—The Chairman's address shall be delivered on Wednesday evening.

5.—On Thursday morning the Chairman for the next year shall be elected by ballot without nomination. Ballot papers shall be furnished to all members of the Union present, if required; and the votes shall be counted by scrutineers appointed by the Chairman. If no candidate have a majority of the votes cast, the names of two persons having the highest number shall be reported, and another vote taken. The Union will adjourn at 11 a.m. on Thursday, in favor of the Canada Congregational Missionary Society.

6.—The meeting shall be daily opened and closed with prayer; the morning devotional exercises to extend to an hour.

7.—No motion shall be discussed unless seconded; no member shall speak twice to the same motion without permission from the chair, and every motion shall be presented in writing by the mover, if required by the chair.

8.—The members of the Union shall register their attendance with the Secretary in a book kept for this purpose. The Minutes of the preceding day shall be read at the opening of each day's session, and the Minutes of the last day at the close of the session.

9.—One of the services on the Lord's Day during the meetings of the Union shall be regarded as a session of the Union, at which the Annual Sermon shall be preached, and in connection with it the Lord's Supper shall be celebrated. The attendance of the Union is expected at this service.

10.—On Monday evening, during the sitting of the Union, a public meeting of the Union shall be held, the programme of which shall be arranged by the Union Committee.

11.—Application shall be made by the Statistical Secretary, one month at least before the annual meeting, for statistics of the several churches, and a brief narrative of the state of religion among them, that he may prepare a condensed narrative of the whole for the annual meeting, and for publication if so ordered.

12.—A collection for the funds of the Union shall be made annually in each church, on or near the Lord's Day, prior to the meeting. From this source, the Finance Committee, after providing for other necessary expenses, shall pay in full, if possible, the travelling fares of its ministerial members, and one delegate from each church (providing always that no member of the Union, whether ministerial or lay, attending the meetings, shall receive anything for travelling expenses, unless such ministerial member shall have contributed not less than one dollar, and the church represented by the delegate not less than five dollars to its funds); or if unable to pay in full, shall deduct from the claim of each such equal amount as may be found necessary; such payment shall not be made until after the final adjournment, except with leave of the Union.

13.—The delegates from the Union to corresponding bodies, who may fail to fulfil their appointment by personal attendance, shall address these bodies by letter, communicating in substance such information and sentiments as they would furnish if they were present at their annual convocations.

14.—All supplies of pulpits required during the Sunday in which the Union is in session, which are not otherwise provided

for, shall be filled by the Nomination Committee in connection with the pastor of the church where the Union is held, and a copy of such appointment shall be posted on the door of the church where the Union is assembled.

15.—In order to facilitate the introduction of properly accredited preachers to churches connected with the Union, which may require pulpit supply, the Secretary is authorized to send to secretaries or pastors of churches a list of preachers; but on the understanding that only the names on the list shall be of those: 1. Who are pastors of churches in connection with the Union. 2. Who have been students of the Canada Congregational College, and who have left that institution with the confidence of the College authorities. 3. Who are carrying on their studies at the College, and who are certified by the Principal or Secretary as qualified to undertake preaching engagements. 4. Who have been pastors connected with the Union, and who are still members of the churches of the Union. 5. Who are recommended by a District Committee. 6. Who are accredited by the Congregational Union of Nova Scotia and New Brunswick, England and Wales, Scotland, Ireland, and the British Colonies, or by any Local Association, or National organization in the United States of America. 7. Lay preachers and evangelists accredited by any District Association.

The Union Committee presented the following Annual Report:—

ANNUAL REPORT.

We would express our gratitude to our Heavenly Father for His mercies during the past year, and rejoice that in His Providence we are assembled in this Fifty-second Annual Meeting of our Union.

We extend our greetings to the Toronto churches, whose hospitality we are enjoying, and especially to Bond Street Church, whose buildings have been so freely placed at our disposal. We congratulate the church upon the settlement of the Rev. J. B. Silcox as pastor, and pray that great blessing may come to pastor and people in their new relationship.

It is with deep sorrow we report the death of three brethren, who for many years were honored members of this Union—the Revs. M. S. Gray, Charles Duff, M.A., and John Wood. Mr. Wood was one of the original members of the Union, and during the fifty-one years of its existence was in attendance at every meeting except one, his visit to the Holy Land causing the exception.

It will be our privilege to have as the guest of the Union the Rev. John Brown, B.A., D.D., of Bedford, England, ex-Chairman of the Congregational Union of England and Wales,

and Chairman of the Colonial Missionary Society. Dr. Brown comes, by appointment of the Union of England and Wales, to convey greetings and to confer with us in the important matters that will engage our attention during the sessions of the Union. We assure him of our hearty welcome.

We welcome also the Rev. C. H. Patten, D.D., Home Secretary of the A.B.C.F.M., who comes as the guest of the C.C.F. M.S. Dr. Patten will be present at the meetings of the Union, and will be one of the speakers on Friday evening.

The Union will have the pleasure of hearing the Rev. W. H. G. Temple, D.D., of Cleveland, Ohio, who speaks at the meeting of the Home Missionary Society on Thursday evening.

The two matters that have engaged the attention of the Union during the year, viz., "The Jubilee Fund" and "Church Union," will be reported on by the respective committees.

Your Committee has been advised that it will be necessary to provide a fund for payment of expenses if the work of the Committee on Church Union is to be done. An appeal has already been made to the churches in this behalf. We recommend that the Finance Committee be instructed to reserve a portion of the money in hand for this purpose, and to submit plans for providing an adequate fund for the work of this Committee.

We felt that the work of the Jubilee Fund had so far progressed that the Union, at this meeting, should prayerfully consider the next steps in the life and work of our churches. We have accordingly allotted two services to this forward work.

We call attention to the need of a revision of the roll, and recommend that the Membership Committee be instructed to examine the roll and report.

Other matters of business have been arranged for, and will come up in the course of the meetings. We pray that in the busy days before us the blessing of God may be upon us, and

upon the churches we represent. "Establish thou the work of our hands upon us; yea, the work of our hands, establish thou it."

Respectfully submitted,

JAMES T. DALEY, Secretary.

The report was referred to the Business Committee.

Mr. Charles Cushing, as Convener of Committee, reported that an Act had been passed in the Province of Quebec, whereby churches may become incorporated without expense:—

ASSEMBLY BILL NO. 134.

AN ACT FOR THE RELIEF OF CERTAIN RELIGIOUS BODIES.

Whereas there are numerous Protestant congregations within the Province of Quebec which own property, but do not possess charters of incorporation, and it is expedient to provide an easy and inexpensive method of incorporating the same;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

1. Whenever any Protestant individual church has been formed and has obtained power to keep registers of civil status, but has not become incorporated in any other manner than hereinafter provided, and is not prevented from doing so by the constitution of the religious denomination to which it belongs, or when the property of the said church is not owned, possessed and controlled by some authority superior to the said church within the body to which it belongs, and when no other provision exists under special statute, whereby the said church may acquire the powers of a corporate body without a special Act to that effect, such incorporation may be obtained upon petition presented to the Lieutenant-Governor-in-Council, who is hereby authorized to grant the same at his discretion.

2. The petition shall contain the following particulars:

(a) The name of the individual church so applying;

(b) The names of not less than three of the principal executive officers of the said church;

(c) The recital of a general resolution of the members of the said church, duly passed at a special meeting called for the purpose, and of which reasonable notice to all members has been given, authorizing the said executive officers to proceed under the present statute;

(d) The name of the religious denomination to which the said church belongs;

(e) The place where its principal meetings are held;

(f) A description of any real estate already belonging to it.

3. The petition shall be accompanied by:

(a) Affidavits of three of the principal executive officers of the church in support of the allegations of the petition, declaring that the conditions of the present law are applicable;

(b) A duly certified extract from the minutes of the special church meeting hereinabove referred to, containing a copy of the resolution aforesaid, and of the notice of such special meeting, and mention of the manner of notification to members.

4. Notice of the presentation of the petition shall be inserted during one month in the *Quebec Official Gazette*, and four times in a newspaper published in the judicial district in which the church meets; or if no newspaper is published in such district, then in a newspaper published in the nearest district where one is issued.

5. After presentation of the petition, the Lieutenant-Governor may, if satisfied of the correctness of the allegations thereof, grant the same, and the said congregation shall thereafter possess all the powers, rights and privileges, and be subject to all the obligations of a duly incorporated body; and under the name mentioned in the petition, may *inter alia* enter into contracts, and may acquire, by onerous or gratuitous title,

moveable and immoveable property for the actual use and benefit of the church, its missions, minister's residence and appurtenances, and the benevolent and charitable objects connected therewith, and may hold and possess the same, provided that the immoveable property does not exceed in value the sum of three hundred thousand dollars; and it may sell, alienate or exchange any such property for the benefit of the church, its missions and appurtenances, or the benevolent and charitable objects connected therewith, and may mortgage and hypothecate such immoveable property, provided no purchase, acquisition, sale, alienation or mortgage of immoveable property shall take place unless the same is recommended by a majority of the trustees and authorized by a three-fourth vote of the male members of the church present at a meeting duly convened in the manner provided by the by-laws of the church for such meeting, to hear and determine such recommendation of the trustees; to institute and defend all actions at law in connection with its rights and obligations; and generally to possess all the privileges and powers of ecclesiastical corporations under the laws of this province.

6. The church may make such by-laws, rules and regulations for the government of its affairs as shall not conflict with the laws in force in this Province, the provisions of this Act, or the principles, usages and doctrines of the denomination to which it belongs; and more particularly, but not so as to affect the generality of this provision, the church may, by laws, rules, and regulations, provide for:

(a) Membership in the church;

(b) The appointment and election of church officers, servants, and committees, their term of office and the manner of their replacement and removal;

(c) The appointment of the pastor, his requirements, salary, and removal;

(d) Meetings, annual, monthly, and special, the notices to

be given for the convening of such, and the times when such meetings shall be called;

(e) Pews and sittings and provisions relative thereto.

7. The church shall appoint from amongst its qualified members, a Board of Trustees for such term and of such number as it shall fix by by-law, provided the Board of Trustees shall never be composed of less than five or more than nine members; and when so appointed the Board of Trustees may make or cause to be made, for the church, any contract which the church by law may make, subject to the provisions of this Act with respect to the acquisition, alienation or mortgaging of immoveable property.

8. A majority of the trustees shall form a quorum for the transaction of business.

A majority of the trustees present at any duly convened meeting of the Board of Trustees, if a quorum, may pass any motion or adopt any measure, or enter into any contract within their powers, save with respect to the acquisition, alienation or mortgaging of immoveable property belonging to the church, in which case a majority of the actual Board of Trustees shall be necessary to adopt any such motion, measure or contract, and the authorization of the church shall be obtained, as hereinabove provided.

9. The church shall elect from its members a treasurer of the church, who shall receive and pay out all moneys, under the direction of the trustees, and render a true and correct account to the church at its annual meeting, of all moneys received and expended, and at all times when required so to do by the trustees, shall furnish them or the church with a statement of the financial condition of the church.

10. The church shall also elect from its members a clerk of the church or church secretary, who shall cause to be kept a

roll containing the names of all the members of the church, with the date of their reception and last known address, or the date when they ceased to be members by dismissal, death, exclusion, or otherwise; which roll, when countersigned by the Chairman of the Board of Trustees, shall be evidence of membership.

11. The church shall at all times, when thereunto required by the Lieutenant-Governor-in-Council, make a full return of its property and of its receipts and expenses, with such particulars as he may require.

12. Nothing in this Act shall alter or impair in any way the rights of any mortgagee or other creditor, acquired previous to such incorporation.

13. This Act shall not apply to, among other denominations, the Church of England in Canada, the Presbyterian Church in Canada, and the Methodist Church of Canada.

14. This act shall come into force on the day of its sanction.

The report was adopted. A copy of the Act was ordered printed in the Year Book. The Nomination Committee was instructed to nominate a committee to arrange for a similar Act for Ontario.

Rev. Hugh Pedley, B.A., replied to the address of welcome.

The Chairman of the Union, the Rev. J. K. Unsworth, B.A., Hamilton, delivered his address on "The Jubilee Fund and After."

The meeting closed with the benediction, pronounced by Rev. Joseph Unsworth, Toronto.

THURSDAY MORNING, JUNE 8TH.

Devotional exercises were conducted by Rev. W. H. Watson. A sermon was preached by Rev. A. Margrett.

At 10 a.m. the minutes of previous day's meetings were read and adopted.

The Business Committee recommended:—

1. The order of the day. Adopted.
2. That if a deputation from the United Brethren attend the Union it be given an opportunity to address the members. Adopted.
3. That the question of extra-mural studies be discussed on Friday. Adopted.
4. That a committee be appointed to confer with the Committee of the Synods of the Anglican Church on the matter of the Bible in schools.

Rev. J. B. Silcox, seconded by R. W. McLachlan, moved in amendment that,

"Inasmuch as the Congregationalists are opposed to the principle that it is the duty of the State, through the Public Schools, to impart the "adequate and systematic teaching of the Bible" in the Public School, therefore we respectfully de-

cline to appoint the proposed committee.”

After discussion, the matter was referred back to the Business Committee to arrange for a place on the programme for further discussion.

The Membership Committee recommended the admission of Rev. J. B. Silcox to membership. Carried.

An application for membership from Rev. Wm. Hipkin, Bowmanville, and an application from Rev. W. S. Pritchard, B.A., for transfer to the Union of N.S. and N.B. were referred to the Membership Committee.

Rev. J. W. Pate, Middleville, was invited to sit as a corresponding member.

Day, B.A., B.D., “That Standing Rule No. 12 be referred to the Business Committee to be amended so as to arrange that in future each church shall attend to the expenses of its own pastor and delegate, and that the church provide a fund for the general expenses of the Union.” Referred to Business Committee.

Rev. J. T. Daley, B.A., read the statistical reports. They were adopted and ordered to be printed in the Year Book.

Rev. Hugh Pedley, B.A., reported on behalf of the Committee on Church Union. The report was adopted.

The Union adjourned.

FRIDAY MORNING, JUNE 9TH.

Devotional services were conducted by Rev. D. C. McIntosh, B.D. A sermon was preached by Rev. C. E. Bolton.

At 10 a.m. the minutes of previous day were adopted.

The Business Committee reported recommending:—

1. The order of the day. Adopted.
2. That Rev. J. L. Alexander, B.D., preach on Saturday morning, in the absence of Rev. W. R. Harvey. Adopted.

The Membership Committee recommended:—

1. That the Revs. Eugene W. Lyman, Professor of Systematic Theology and the Philosophy of Religion in the Congregational College of Canada; Herman A. Carson, B.A., Victoria, B.C.; G. A. Sanden, Wetaskiwin, Alberta; Wm. Hipkin, Bowmanville, Ont., be received into membership of the Union. Carried.

2. That the following Swedish churches be also received, viz., Lewisville, Elim Church; Highland Park, Bethel Church; Wetaskiwin, Emmanuel Church. Carried.

3. That Rev. W. S. Pritchard, B.A., B.D., be granted a letter of transfer to the Union of N.S. and N.B. Carried.

4. Your Committee has also had under consideration the revision of the roll, and finds that the list of personal members includes a number who have either left the country or are engaged in secular pursuits. The latter, according to Article II. of the Constitution, which limits ministerial membership to such as are either in the pastoral office or are engaged in evangelistic or educational service, would seem to be *ipso facto* excluded from membership. Under this head are the Revs. J. R. Black, James McAdie, C. Routliffe and Dr. A. W. Richardson.

The following brethren have either gone to the Maritime Provinces, the United States, or elsewhere, and are no longer in the service of our churches, viz.:—Revs. H. Á. Morton, Edwin Rose, A. F. McGregor, W. M. Baker, Wm. Collins, Thomas Hall, A. E. Prior, Albert Secord, J. Schofield, H. E. Mason, J. A. C. McCuaig, D. D. Hambly, W. J. Hindley, Robert Hopkin, W. P. Jackson, J. McKinnon, C. Moore, and H. W. Stillman.

We recommend, therefore, that the Secretary be instruct-

ed to correspond with the brethren named, with a view to their transference to some other association or otherwise, and report to the Union. Carried.

5. That the names of the following brethren, deceased, be removed from the roll, viz:—Revs. Charles Duff, John Wood, and M. S. Gray. Carried.

Mr. J. R. Dougall having declined the chairmanship, a new vote was taken, and the Rev. J. B. Silcox declared elected. Mr. Silcox thanked the Union for the confidence thus shown in him.

The Revs. Dr. Warriner, D. M. Solandt; Mr. Geo. Pim, and Mrs. S. P. Leet were added to the Temperance Committee.

Rev. Hugh Pedley, B.A., Chairman of the Jubilee Fund Committee, presented the Committee's report, as follows:—

REPORT OF JUBILEE COMMITTEE.

Your Committee beg to report as follows:—

That the work has gone on steadily during the past year. It was deemed wise by your Executive Committee that during the autumn months special efforts of a personal character should be made amongst the churches, especially those in the Maritime Provinces and in the far West, sections of the country that had not hitherto been visited. To carry out this plan, Mr. Gunn's services were secured for another term of three months, during which he visited the Provinces of N.S. and N.B. and was able to report at the close of his visit that the extinction of the debts of the churches there was practically guaranteed. Your Executive Committee further agreed to furnish the means for supplying the pulpit of Rev. J. K. Unsworth, in order to set him free for a visitation of the churches in Manitoba and British Columbia. During a tour of seven weeks he visited all the western churches and secured their very hearty co-operation in the Jubilee Movement. Most of these churches are looking forward to the early extinction of their debts. The thanks

of your Committee are due to these two gentlemen for the excellent work done, and also to these churches for their willingness to sacrifice their own immediate interest for the sake of the wider work.

As a result of the efforts put forth, we were able to report the state of the Fund at the end of 1904 as follows, under the two heads, Local Debts and Central Fund:—

LOCAL DEBTS

Forty-four churches subscribed.. ..	\$125,791 25
Paid.....	67,835 20

CENTRAL FUND

Subscribed by churches.....	\$11,795 83	Paid.....	\$5,568 32
“ Individuals.. ..	25,233 25	Paid.....	5,233 25
English contribution.....			4,861 11
			<hr/>
			\$15,662 68

Amongst the individual contributions included in the above statement, the items of chief importance are Mr. G. B. Burland's gift of \$5,000 (in addition to the \$5,000 he had contributed to his own church), and Mr. Miner's subscription of \$20,000, of which \$10,000 has been paid. The first of these gifts, coming at the inception of the enterprise, and the second at a critical hour in its history, take place with the English gifts in the immense contribution they have made to the success so far achieved.

From this Fund two disbursements were made—one in September, 1904, at which 60 per cent. of the claims was paid, and the other in March, 1905, when it was found that on receipt of the second installment from England it would be possible to meet all claims in full. The actual accomplishment of this has not been carried out owing to delay in the arrival of the second payment from England, the delay being due to the illness and death of the Rev. James A. Mitchell, Secretary of

the Union of England and Wales, concerning which sad event a resolution will be presently submitted. The money is now in the hands of the Treasurer, and subject to the order of the Executive Committee.

The receipts since the beginning of the year are approximately as follows, under the same two heads of Local Debts and Central Fund:—

LOCAL DEBTS

Additional Subscriptions.....	\$ 2,517
Additional Payments	14,179

The total then under this head will be:

Subscriptions	\$128,308 25
Payments	82,014 00

CENTRAL FUND

Additional Payments—Churches	\$ 1,742 00
“ “ Mr. Miner.....	10,000 00
“ “ England.....	4,866 66

Total.....	\$16,608 66
------------	-------------

The grand total will therefore be:—

Subscriptions, including English grant.....	\$185,337 33
Payments, on account of debts.....	\$114,285 34

The expenses so far have reached a total of \$2,990.87, the main items of which are for salaries, travelling expenses, and printing. In view of the magnitude of the undertaking, this will be considered, from a business point of view, a very moderate amount.

This is the condition of the undertaking at the present time, and that we should have arrived at this point is a matter for sincere gratitude, and a reason for great hope. But much remains to be done. There are several problems that have to be dealt with, and the work as a whole will require unremitting attention from now to the end of the year.

There are now certain recommendations that your Com-

mittee would submit for your approval.

1. That the form of lien prepared by Mr. Lyman Lee, of Hamilton, a member of the Committee, and revised by the Committee as a whole, be adopted; it being understood that this lien does not affect those portions of the Central Fund specially reserved therefrom at the wish of the donors.

2. That all agreements with churches in connection with the disposal of the Central Fund terminate Dec. 31, 1905.

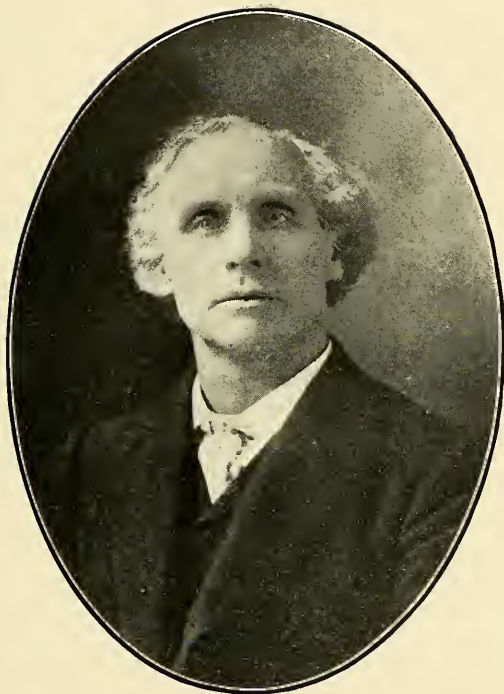

3. That the indebtedness of churches, giving them a claim upon the Central Fund, be understood as including the amount of mortgage and other equivalent indebtedness at Jan. 1, 1903, not taking account of any deficit in current expenses for the preceding year.

4. That as our experience so far has made it evident that humanly speaking, the success of the enterprise has resulted from the entire devotion to it of some one man, this policy be continued during the rest of the campaign. We would further recommend that the Rev. J. W. Pedley, B.A., of the Western Congregational Church, Toronto, be requested to take up the work of special correspondence and personal visitation so efficiently carried on by Messrs. Gunn and Unsworth.

5. That the following be the Committee for the coming year:—

Eastern Section.—Revs. H. Pedley (Convener), Dr. E. M. Hill, Dr. W. H. Warriner, D. M. Solandt, Wm. McIntosh, G. E. Read, H. G. Rice, J. T. Daley; and Messrs. T. B. Macaulay, Chas. Cushing, G. B. Burland, Chas. Gurd, C. R. Black, S. H. C. Miner, B. W. Robertson, A. J. Stephens, and two representatives from the Maritime Provinces.

Pastor of Western Church, Toronto, now acting as Field Secretary
of the Jubilee Fund.

Woodley, G. C. Copping, T. R. Earl, H. Yeigh, J. W. Lyons, Lyman Lee, and A. Wickson.

All of which is respectfully submitted.

HUGH PEDLEY,

"Whereas an attempt is being made to introduce into the Dominion Parliament an amendment to the Criminal Code, by which 'book-making' on a race track would be exempt from the operation of the law against gambling;

"And whereas the evil of gambling is spreading in our

midst, and is hostile to the best welfare of the people,

“We, the members of the Congregational Union, at this its Annual Meeting, do hereby express our earnest hope that such amendment will not be passed, and that every effort to introduce such class legislation will be resolutely opposed. Carried.

The Secretary was instructed to forward a copy of this resolution to Rev. S. D. Chown.

Rev. Mr. Comfort was invited to sit as a corresponding member of the Union.

"*Resolved*, that we have heard with sorrow of the death of Rev. J. A. Mitchell, B.A., Secretary of the Congregational Union of England and Wales; that we feel a sense of personal loss, inasmuch as even in his short term of office he had shown deep interest in and love for our work in Canada; and that we hereby express our sympathy with our English brethren in this very great loss, and also with Mr. Mitchell's family.

"That a copy of this resolution be sent to both."

The resolution was adopted.

4. To the press of the city for its careful and extended reports of the meetings.

5. To the railways for their transportation privileges.

6. To the Chairman of the Union for his splendid and inspiring address.

Your Committee would make special mention of the presence in our midst of the honored representative of British Congregationalism, Rev. John Brown, B.A., D.D., and would express to our friends across the sea our appreciation of their fellowship in sending such a messenger to convey to us their greetings.

We would tender to him personally our hearty thanks for the interest he has taken in our affairs, for the many and wise suggestions which he has made, and for the sermons and addresses with which he has enriched our programme.

Ayer's Flat, Franklin Centre, Hamilton (Immanuel), London (Southern), Renwick, Tilbury, Toronto (Parkdale), and Woodstock, have not yet reported, but we hope to hear from some of them before the tables are printed.

There have been a number of changes in the pastorate during the year. Revs. Edwin Rose, W. S. Pritchard, H. W. Stillman, F. J. Day, H. Barnett, D. N. Morden, J. W. Hurd, J. L. Gordon, W. M. Baker, and Charles Duff are names that do not now appear.

Revs. J. B. Silcox, J. Lambert Alexander, B. B. Williams, W. Hipkin, of Bowmanville, and John W. Pate, of Middleville, are among the additions to our workers.

Revs. C. S. Pedley, G. E. Read, W. R. Harvey, M. Kelly, C. C. Claris, G. A. Mackenzie, A. B. Imrie, E. D. Silcox, and J. P. Gerrie, have made changes in their pastoral charges.

Forest and Plympton, Tilbury and Renwick, Listowel and Howick, Kincardine, and Woodstock, are without pastor or supply. Kincardine has been vacant for a year and a half. The Sunday School and C. E. Society are active and the Church reports additions during the year.

The number of our members has not been altered to any great extent. 451 of those reported last year have been removed. Many of them by revision of the rolls. There have been 557 added, most of them on profession of Faith. While this shows a net gain of 106, there is, no doubt, that the real force of the church has gained more than that number.

Only 50 of the churches have had additions to membership. Among these we note that on profession of faith there have been received, viz: Toronto (Bond St.), 54; Toronto (Western), 35; Toronto (Broadview), 24; Coldsprings, 17; Kingston (Calvary), 15; Pt. St. Charles, 14; Georgetown, 13; Melbourne, 13. Hamilton (First), 11; Ottawa (Welcome-Zion), 10; Paris, 10; Montreal (Zion), 10. Toronto (Zion) reports 41, but does not give details.

On the other hand 61 churches report removals from the membership.

37 churches report a larger membership, 22 a smaller membership, than last year.

One feels the need of an increase campaign as among the next steps of our life and work.

The Sunday Schools continue to be an encouraging feature of our work. Nearly every church has one and some have more than one in connection with the work. They are well provided with teachers and officers. Only 30 of the churches have societies for their young people other than the Sunday schools. The

interest in this part of church work has fallen greatly from what it was a few years ago.

The financial condition of the churches has been decidedly improved. 24 churches report decrease in debt; 2 churches report slight increase; 12 churches report increase in value of property; and 5 churches decrease in value. 39 churches have each raised more money than last year, the increase being \$49,169. 27 churches each raised less than last year, the decrease being \$7,656. A net increase over last year of \$41,513.

It is quite probable that if the reports all came up to date this increase would be much larger. This increase was not all for local purposes. The contributions for missions was larger than last year. We call attention to the amounts given for each of the three purposes—Home, \$1,927, Foreign, \$2,366, and Woman's Board, \$2,827. This means nearly twice as much for Foreign Missions as for Home.

This may be of interest to those who will have part in the discussion of the next steps in the life and work of the churches.

MINUTES OF THE UNION.

The Fifty-eighth Annual Meeting of the Congregational Union of Nova Scotia and New Brunswick met with the Congregational Church at Pleasant River, N.S., on Thursday morning; July 6th, at 9 a.m.

Instead of the usual prayer and praise service there was a sermon by Rev. J. W. Cox, from John 15:13, "Ye have not chosen me, but I have chosen you, and ordained you that you should *go* and *bring forth fruit*, and that *your fruit* should *remain*." The sermon was a very helpful one, and gave a rich spiritual tone to the meetings that followed. There were especially emphasized by the sermon the following points:—Our call to work; our perfect equipment for work—all power, all goodness, all truth—God; our responsibility, and our assurance of permanent success.

At 10.30 the Chairman, Rev. A. W. Main, called the meeting to order.

Rev. Silas W. Anthony was appointed Minute Secretary.

The usual Committees were appointed, as follows:—

Nominating Committee—Revs. G. W. Ball, G. M. Whyte; and Mr. Geo. Anthony.

Business Committee—Revs. Ball, Moore, Rose; and Messrs. J. W. Flewelling and A. Anthony.

Membership Committee—Revs. Purdon, Whyte, and Moore.

Finance Committee—Messrs. C. E. MacMichael, Jas. W. Jewett, and Geo. Anthony.

Public Service Committee—Rev. I. A. Rose, and Deacon A. J. Fancy.

The Secretary, Rev. J. W. Cox, read his annual report, which had many encouraging features, one of which was the settlement of four young men as pastors over our churches, and there being now but two vacant fields in our Union.

The address of welcome was then given by Rev. I. Adams Rose, pastor of Pleasant River and Hanford Churches, and responded to by Rev. Geo. M. Whyte, of Sheffield, N.B.

New Members—Rev. W. S. Pritchard, B.D., was received by letter from the Congregational Union of Ontario and Quebec; Rev. I. Adams Rose, from the C. C. C.

Corresponding Members—Revs. Wm. Collins, of Brooklyn, N.S.; Samuel J. Wilson, of Margaree, C.B.; Silas W. Anthony, of Milton, N.S.; Joseph K. Unsworth, B.D., of Hamilton, Ont. Chairman of Congregational Union of Ontario and Quebec, W. T. Gunn, M.A., of Embro, Ont.

Members Dismissed—Rev. E. E. Braithwaite was dismissed to the Norfolk South Association, of Massachusetts; Rev. J. M. Austin, having requested that his name be dropped from the roll, as he had become a minister of the Presbyterian Church of Canada, his request was granted on recommendation of the Membership Committee, who also recommended that a letter be written to Rev. Mr. Austin, wishing him godspeed in his new relations, at the same time expressing our surprise and regret that though there was not time evidently for him to obtain a proper transfer, yet as a good Congregationalist, we think he should have frankly acquainted the officers of the Union with his purposes, giving full explanations and reasons.

Also that a letter of brotherly, yet of firm protest, be written to the Presbyterian General Assembly of Canada against their act of receiving a member of the Congregational Union of N.S. and N.B., without any recognition whatever of that body, inasmuch as no letter of membership or of ministerial

standing had been asked for from the Union.

Reports from the churches were then read by the delegates, and were for the most part encouraging.

At 11.25 Rev. Churchill Moore, of Keswick Ridge, N.B., addressed the Union on "Church Self-support and How to Attain it." A lively discussion followed.

THURSDAY, 2.30 P.M.

After a short devotional service, the Statistical Secretary, Mr. J. W. Flewelling, of St. John, N.B., read his annual report. The report was carefully prepared, and brought out many interesting facts concerning our churches in a thought provoking fashion. The Treasurer, Mr. Chas. E. MacMichael, also gave his report, which was adopted.

On recommendation of the Business Committee, the officers for the ensuing year were elected as follows:—

Chairman from Jan. 1, 1906, to Jan. 1, 1907—Rev. George M. Whyte, Sheffield, N.B.

Secretary—Rev. J. W. Cox, B.A., Truro, N.S.

Treasurer—Chas. E. MacMichael, St. John, N.B.

Statistical Secretary—J. W. Flewelling, St. John, N.B.

THE UNION COMMITTEE.

The officers, with Revs. Moore, Purdon, Ball, Wilson, Pritchard, Rose, and Messrs. Willard Godfrey, H. A. Moaser, J. W. Jewett, H. S. James, Andrew Anthony, J. Philips, J. Whitman Waterman, Geo. Anthony, and Cyrus Fisher.

Our Representative on the Executive Committee of the C. C. M. S.—Rev. J. W. Cox.

General Committee of the C. C. M. S.—Rev. W. S. Pritchard.

Delegate to the Congregational Union of Ontario and Quebec—Rev. W. S. Pritchard.

Union Preacher for 1906—Rev. G. W. Ball. Alternate—Rev. I. Adams Rose.

At 4 p.m. there was brought forward as a subject for discussion, "A Revival of Religion; Its Necessity, and How to Obtain it." Rev. Mr. Purdon introduced the subject in a brief but fervent address, which elicited much interest, but on account of the narrow time limit justice could not be done to this most important subject.

THURSDAY EVENING.

Rev. S. J. Wilson led the devotional service. There was a full house.

Rev. Mr. Main gave his retiring Chairman's address, the subject being, "The Bible in the Home; Its Influence on the Church and State."

Dr. Creelman, of the C. C. C., then addressed the Union on "The Training of the Ministry." His address was scholarly and interesting, and made a fine impression upon the large audience.

A very interesting feature of this meeting was the welcome accorded Dr. Creelman, the honored representative of our College, by the members of our Union. "Dr. Creelman," said the Chairman, in introducing him, "is not a stranger or foreigner, but one of ourselves, a child of Lower Selmah Church, of which church his parents were charter members, and his sainted father once the beloved secretary and deacon; and he is also a member of our Union, his name having been placed on our roll in 1901, where, we trust, it will remain for many years to come."

FRIDAY MORNING.

Friday was the Field Day of the Woman's Board.

At 9 a.m. a prayer meeting of deep spiritual interest was led by Mrs. Dearborn, of St. John. Many of the sisters participated. The brethren also joined heartily in the devotions, and all felt the hour too short to utter their heart's sincere praise.

At 10 a.m. and at 3 p.m. the Union Committee convened on Deacon Fancy's shady lawn, and was ably assisted by the visiting brethren in the important deliberation of the sessions.

FRIDAY EVENING.

The President of the Woman's Board, Mrs. Churchill Moore, presided.

The meeting was intensely interesting, and the missionary enthusiasm of the crowded audience rose to great heights during the address of Rev. J. K. Unsworth, who spoke on "The Heroism of Missions."

SATURDAY.

At 9 a.m. a splendid prayer meeting was held, led by Mr. Jas. W. Jewett.

At 10 a.m. business was resumed. The following recommendations of the Union Committee were adopted:—

1. That a Committee be appointed to co-operate with the Committee of the Congregational Union of Ontario and Quebec, re the organization of a General Congregational Union of Canada. And that the said Committee be composed of Revs. C. S. Moore, Whyte, Pritchard, and Mr. C. E. MacMichael.

2. That Rev. Mr. Moore be the delegation to visit Economy, and if possible, Rev. Mr. Unsworth to accompany him, to ascertain the true condition of the church, and to extend to it the sympathy of the Union.

3. That the matter of the Maitland Church property be left in the hands of the old Committee—Rev. A. W. Main, and Messrs. James Dimock and A. M. Anthony.

4. That the Union earnestly recommends that all our churches be urged to have all their properties adequately insured.

5. That a Committee be appointed to present a memorial to the churches, embodying the thought of this conference on the matter of the Forward Movement, and that the said Committee be composed of Revs. Pritchard, Moore, Purdon, Unsworth, and Dr. Creelman.

Rev. Mr. Pritchard submitted the following:—

6. Whereas our efforts on behalf of the Jubilee Fund have been so signally blessed of God, resulting in the lifting of the debts from most of our churches, leaving them “free to serve”; whereas, we feel the time has come for a definite Forward Movement of our denomination in Canada. Resolved, (1) that each church hold a conference of its own members to consider ways and means by which they may best forward the work of Christ’s Kingdom in their own locality; (2) that we urge upon our C. C. M. S. to put into effect at its earliest possible moment some definite plan for the furthering of our denominational plan in Canada; (3) that a copy of these resolutions be forwarded to the Secretary of the C. C. M. S.

7. Whereas we have heard of the heroic and successful efforts of the Congregational Church at Margaree, C.B., in the erection of a new church, and have been asked to send a delegate to represent this Union in the dedication of their church; Resolved, that we extend our hearty greeting and congratulations to the church in Margaree, and that Rev. J. W. Cox, B.A., be our representative at the services of dedication.

At 10.30 we were all inspired and greatly encouraged by the

addresses of Rev. J. K. Unsworth, B.D., Chairman of the Congregational Union of Ontario and Quebec; Rev. W. T. Gunn, M.A., Travelling Secretary of the Jubilee Fund, and Rev. Dr. Creelman, of the C. C. C.

This meeting will live long in the memory of the members of the Union. It was an hour of supreme joy to many as they listened to the glowing account of God's visitation of His people in their bondage; how He has delivered them and will yet deliver, and how He bids them now "Go Forward" and possess their inheritance.

A practical paper was then read by Rev. Wm. Collins, of Brooklyn, N.S., on "Our Young Men in the Church and Sunday School; How to Retain Them There and Use Them for God."

REV. SIMEON SYKES.

A letter was read by the Secretary from Rev. Simeon Sykes, sending his greetings to the Union, and regretting his absence from the Union in Pleasant River, his old field of labor, where he was ordained more than forty years ago. Mr. Sykes has lately passed his 77th birthday.

By motion it was resolved that the Secretary be instructed to write a letter of congratulation to Mr. Sykes on the occasion of his 77th birthday, and expressing to him and Mrs. Sykes the kind wishes of the Union.

Rev. A. W. Main reported briefly for the Committee on Church Union, he having been present at the meeting of the Joint Committee, held in Toronto December 23, 1904.

By motion it was resolved that the Committee of last year on Church Union be re-appointed. And that the name of Rev. W. S. Pritchard be substituted for that of Rev. J. M. Austin. And also that the sum of \$25 be devoted toward defraying the travelling expenses of the said Committee.

Saturday afternoon was given up to recreation.

SATURDAY EVENING, 7.45

A bright praise service was led by Mr. J. W. Flewelling.

Rev. S. W. Anthony spoke on "The College; Its Relation to the Churches." His address was carefully prepared, and was well received by the audience.

Rev. W. S. Pritchard, B.D., then gave an address on "Our Place and Work in the Nation as Congregationalists." It was a strong address, and exceedingly appropriate for "such a time as this."

Rev. W. T. Gunn, M.A., followed in a happy way, captivating his hearers and lifting their thoughts with his into the Love of God and the joy of doing His will.

THE COLLEGE RESOLUTION.

On recommendation of the Business Committee, it was resolved, that we, the members of the Congregational Union of N.S. and N.B., do hereby express our appreciation of Rev. Harlan Creelman, Ph.D., as representative of the C. C. C., and we are assured that his earnest and eloquent addresses, as well as his genial presence with us, will be the means of giving us fresh zeal and interest on behalf of the College; and that we are fully determined to go back to our various churches to strive as never before to bring the interests of our College before our people, so that, if possible, more men and money may be forthcoming for its classes and material support; and to make special prayer that the right man may be obtained without delay to fill the Chair of Systematic Theology made vacant by the much regretted resignation of Professor Lyman.

REV. A. W. MAIN.

On recommendation of the Business Committee, it was resolved, That whereas we have learned with regret that our Chairman, Rev. A. W. Main, has accepted a call to the Point St.

Charles Congregational Church, Montreal, and expects to leave his present field in Lower Selmah early in August; and that this Union has been greatly benefited by his presence, and by the wise and impartial way that he has filled the office of Chairman, thereby enabling us to do the work of our Union smoothly and well. We therefore desire to express the sincere thanks of the Union to our brother, and wish him godspeed in the work to which we believe he has been divinely called.

PROGRAMME COMMITTEE.

A Programme Committee was appointed, consisting of Rev. J. W. Cox and Rev. S. W. Anthony.

The Chairman of the Union, carrying out the recommendation of the Business Committee in appropriate language, expressed the thanks of the Union to the people of Pleasant River for their generous hospitality.

By motion it was resolved that at the close of the Sunday evening service the Union stand adjourned to meet in Milton, Queen's County, on Wednesday after the first Sunday of July, 1906.

SUNDAY, JULY, 9th.

At 10.30 public worship was held. A very large audience assembled. Rev. Geo. M. Whyte, of Sheffield, N.B., was the Union preacher. The text was from John 4:10, "Jesus answered and said unto her: If thou knewest the gift of God and who it is that saith unto thee, Give me to drink, thou wouldst have asked of him, and he would have given thee living water."

The Sacrament of the Lörd's Supper was observed, the pastor, Rev. I. A. Rose, presiding, assisted by Revs. Purdon, Unsworth, and Gunn.

At 3 p.m. the Sunday school mass meeting was held. Stirring addresses were made by Revs. Pritchard, Gunn and

Anthony.

At 7.30 there was an overflowing house. The preacher was Rev. J. K. Unsworth, B.D., of Hamilton. The text was, Psalm 139: 18, "When I am awake I am still with thee." The sermon was powerful and wonderfully inspiring.

Thus closed the meetings of the Union. The best of all in its history, in attendance, in enthusiasm, and spiritual helpfulness.

NOTICE.

It is becoming more than ever a practice among Christian people to recognize the Lord's portion in their Last Wills and Testaments, whereby, though they be dead, they speak and act in the furtherance of Missionary, Educational and Benevolent objects. American Congregationalists are among the most wise and generous in this day, and have left legacies of blessings for succeeding generations. Among the members of our Congregational churches in Canada, there have also been those who have followed a likewise generous course.

For the guidance of those who may desire to make like bequests, the following legal form is subjoined. The amount bequeathed may be devoted specially to the Church Extension and Building Fund, in which case the income would only be used, or may be given for the general purposes of the Society.

 FORM FOR A BEQUEST.

I give and bequeath to the Canada Congregational Missionary Society, incorporated by the Parliament of the Dominion of Canada, A.D. 1855, the sum of \$ out of my estate, to be paid without any charge or deduction whatever; and I direct that the receipt of the Secretary and Treasurer of the Society shall constitute and be a sufficient discharge thereof.

CONSTITUTION.

ARTICLE I.—NAME.

This Corporation shall be called "THE CANADA CONGREGATIONAL MISSIONARY SOCIETY," and shall conduct its operations within the limits of the Dominion of Canada.

ARTICLE II.—OBJECTS.

The objects of this Society shall be as set forth in the Act of Incorporation, namely, to plant and to foster Congregational Churches in suitable localities; to aid churches in sustaining their pastors where required.

ARTICLE III.—MEMBERSHIP.

All persons being members or adherents of Congregational Churches, paying two dollars annually into the funds of the Society, shall be members, and those who *subscribe at one time twenty dollars or more*, shall be life members. Churches subscribing annually ten dollars or more, may be represented at the annual meeting of the Society by one delegate, and churches subscribing fifty dollars or more may be represented by two delegates. Each Auxiliary branch contributing annually to the funds of the Society ten dollars or more, may be represented by one delegate. The above mentioned subscribers and delegates shall constitute the membership of the Corporation.

ARTICLE IV.—OFFICERS AND COMMITTEES.

The officers of the Society shall be a President, a Secretary, a Treasurer, a Superintendent and two Auditors, and an Educational Secretary may also be appointed. The Standing Committees shall be a General Committee and an Executive Com-

mittee. These officers and committees shall be appointed at the annual meeting of the Society, and shall all be members of the Corporation. The General Committee shall consist of the President, Secretary, Treasurer, Superintendent and Educational Secretary, and not more than twenty-five members. The Executive Committee shall be composed of the President, the Secretary, the Treasurer, the Superintendent, the Honorary Secretary, the Educational Secretary, and one member from each District Association within the bounds of the operations of the Society, who may be nominated by the Association.

ARTICLE V.—DUTIES OF OFFICERS AND COMMITTEES.

The President shall preside at all meetings of the Society and its Committees, when practicable, and shall seek to promote the general interest of the Society's work.

The Secretary shall have charge of the books and correspondence of the Society, shall call the meetings of the Society and its Committees, and shall exhibit the records of the proceedings at each meeting.

The Treasurer shall have charge of the funds of the Society, disbursing them as directed by the General or Executive Committee, and shall present annually a full account of all receipts and disbursements.

The Superintendent shall be under the direction of the Executive Committee, to whom he shall report quarterly, visit the churches of the Congregational order within the bounds of the Society's operations with a view of deepening their interest in its work, and of securing liberal contributions for the Society, and shall explore new mission fields, secure missionaries for vacant churches, and have a general oversight of the interests and work of the Society.

The Auditors shall examine the accounts of the Society when required, and make an annual audit of the Treasurer's books previous to the annual meeting of the Society.

The General Committee shall exercise all the corporate powers of the Society, have charge of annual mission grants made to the churches, examine, employ and direct all the missionaries of the Society, and have a general supervision of its affairs. They shall present a report of the work of the Society at each of its annual meetings.

The Executive Committee shall have full charge and power for the administration of the affairs of the Society during the interval between the annual meetings of the General Committee; shall receive all applications from churches for aid from the Society, and report thereon to the General Committee, to whom they shall make an annual report of their proceedings.

ARTICLE VI.—MEETINGS.

The Corporation shall meet annually on the first Wednesday after the first Sunday in June, at the place where the Congregational Union of Ontario and Quebec assembles. A public annual missionary meeting shall be held on the evening of the next day. Special meetings for the despatch of special business may be called by the Executive Committee at such time and place as may be deemed desirable, provided that a month's notice be given thereof. The General Committee shall hold their meeting at the same time and place as the Corporation, at the call of the Secretary; and the Executive Committee shall hold their quarterly meeting at the time and place it may be agreed upon.

ARTICLE VII.—CHURCH EXTENSION AND BUILDING FUND.

All sums of money specially collected, given or bequeathed for the purpose, together with the proceeds received from the sale of disused church property, shall form a Church Extension and Building Fund, which shall be invested by the Corporation, who may apply the income thereof, by the General or the Executive Committee, by the way of loans, or otherwise, for the organi-

zation of churches in new fields, and for the erection or enlargement of places of worship where they may be required.

ARTICLE VIII.—AUXILIARY SOCIETIES.

Auxiliary branches of this Society may be formed in churches and localities, to co-operate in the work of the Society. Each branch shall, at least one month previous to the annual meeting of the Society, make an annual report to the Secretary, and send to the Treasurer all funds collected on its behalf.

ARTICLE IX.—MISSIONARIES.

Each missionary in the employment of this Society must be a regularly accredited member of a Congregational Church, and shall endeavor faithfully to promote all the interests of the Congregational denomination in Canada. He shall send to the Secretary a quarterly statement of his work, and furnish such statistical returns as may be called for.

ARTICLE X.—MISSIONS.

Each church requiring a missionary grant by the General Committee must make application therefor through the Secretary, at least one month previous to the annual meeting of the Society, according to the printed forms provided, in which a certificate to the effect that all previous pledges of support to its pastor have been fulfilled, shall be inserted. Churches aided by this Society are required to make an annual collection for the funds and to keep their property sufficiently insured; and such churches acquiring property shall have inserted in the Trust Deed a clause providing that in case the church shall at any time be disbanded or cease to exist, the property shall revert to the Society.

ARTICLE XI.—RECEIVING AND DISMISSING PASTORS.

Churches aided by this Society are required, as far as prac-

licable, in the settlement and dismissal of pastors, to carry out the recommendations passed by the Congregational Union of Ontario and Quebec, in 1876, in relation to Councils. In cases where this is impracticable, the sanction of the Executive Committee must be obtained before a settlement or dismissal of a pastor is consummated.

ARTICLE XII.—CONVEYING PROPERTY.

The President, Treasurer and Secretary, or any two of them, shall be the duly authorized persons on behalf of the Corporation to convey real estate, and to discharge mortgages; and the Treasurer shall be the duly authorized person, on behalf of the Corporation, to accept conveyances of real estate, and to receive mortgages. The Treasurer shall affix the Corporation seal to all documents which may require it.

ARTICLE XIII.—AMENDING THE CONSTITUTION.

This Constitution may be altered or amended by a vote of two-thirds of the members present at any annual meeting of the Society, one day's notice having previously been given of the proposed amendment, in writing.

MINUTES OF THE FIFTY-SECOND ANNUAL MEETING
OF THE CANADA CONGREGATIONAL
MISSIONARY SOCIETY.

The annual meeting of the Canada Congregational Missionary Society was held in Bond Street Church, Toronto, on Wednesday, June 7th, 1905.

The President, Mr. Charles Cushing, took the chair at 11 o'clock a.m.

The Rev. John Brown, D.D., the delegate from the Colonial Society, was introduced. Rev. G. H. Craik, Waterville, Que., was appointed Minute Secretary.

Gunn, Resolved, That the thanks of the Society be extended to the Colonial Missionary Society for their very generous financial support granted, to our Society during the past years, and for their interest in our churches, manifested by the presence with us of their fraternal delegate, Rev. Meeting adjourned.

THURSDAY, JUNE 8TH, 11 A.M.

The adjourned meeting of the C. C. M. S. was held, the President in the chair.

The minutes were read and approved, when it was moved by Dr. Hill, and seconded by Dr. Warriner, that on the departure of Rev. F. J. Day, B.A., B.D., for a year of study in Great Britain, that we express our gratitude to him for the valuable service he has given our Society in many capacities, but especially for the skill and ingenuity he has shown in the office of Educational Secretary during the year he has filled that position. We further recommend him to British societies and churches as

a trusted and well informed representative.—Carried unanimously.

The meeting closed by prayer.

G. H. CRAIK,

Minute Secretary.

FIFTY-SECOND ANNUAL REPORT C. C. M. S.

The second year of our jubilee effort has been a strenuous one, demanding to the utmost our energies and monopolizing our thoughts and plans. It is therefore cause for gratitude to our Heavenly Father that your Committee can present as encouraging a report as this fifty-second report is. There are times when great financial and numerical expansion may not be evidence of great effort or self-denial, and there are years when to hold our own is proof of heroic service. With all the pressure of extra burdens, we have done a great deal more than hold our own in our Home Missionary operations. And what that has meant in the past year to some of our churches will only be fully known at the last day. I wish it were possible to take this audience into every field where your money is sent, and let you see what is being done, or even that it were possible for me to give you a picture of each church within the limits of this report. I might not thrill you with a recital of deeds of daring, nor enthrall you with the returns of great numerical success, but I am confident that you would be interested and encouraged as never before, and that interest would reveal itself in enlarged gifts and more earnest prayer for the success of the work.

MARITIME PROVINCES—A BRIEF GLANCE.

In the Maritime Provinces we have fifteen churches to some extent dependent on help from this Society, and all are served by our own pastors. The tone of the churches is more hopeful than a year ago, from the fact that all but one are supplied with pastors. The important church in Yarmouth, one of our best, a good friend of our Society, has been vacant since last December. It is the leading church of our Order in Nova Scotia, and

offers a good opening for an energetic man who wishes a self-supporting charge. Margaree, C.B., was supplied till the autumn by our honored brother, Rev. Robert Hay, who did much to hearten the people, who had been nearly two years pastorless. Mr. Hay could not spend another winter so far from his family home, and on his removal we were fortunate in securing Rev. S. J. Wilson, from Belfast, Ireland. Mr. Wilson is young and energetic, and is infusing some of his vigor into the people, who are in the rush of building a church and Sunday School Hall, and hope to have both ready for use by the coming autumn, and both free from debt. It is one of the regions where race suicide has not yet made its appearance, so there is little fear of the church dying out. We are sorry to report that we have been as yet unable to enter the city of Sydney, because of the scarcity of money and suitable men.

TRURO has had a year of trial. Rev. J. W. Cox was for more than half the year laid aside by severe illness, yet is now back at work with much of his wonted vigor, and evidence of the Divine blessing is not wanting. Eight have been received into membership on profession of faith.

PLEASANT RIVER is happy in the settlement of Mr. I. A. Rose, one of this year's graduates from our college. Your Secretary had the honor of preaching the sermons at the dedication of a very beautiful church last July. Think of it! a people in a country district without a pastor for two years, keeping together and erecting a house of worship, and having it dedicated free of debt, fully furnished, even to a bell, whose sweet tones invite to worship the neighborhood for miles around. This they did with the very little aid your Society was able to afford. The mining industry is growing, and we are confident that under the energetic ministry of our young brother the church will soon be able to pay its own way.

LIVERPOOL—Rev. G. W. Ball is still the honored pastor of Liverpool, where, for eleven years, he has ministered with acceptance, steadily growing in public esteem. The last year has been a trying one to both pastor and church. Returning from the Union meetings in New Brunswick last July, Mr. Bell met with an accident from a runaway team that came near ending his life. Those of us who were on the spot thought his days of work were over. He has, however, recovered, but only after months of suffering. Then the past winter being phenomenally severe, the peculiar industry of the town—ship repairing—was much interfered with, and so the income decreased. But the brethren are hopeful and rally around their pastor. A small grant will be necessary for another year. Mr. S. W. Anthony has settled in Milton, and Rev. W. Collings is doing good work in Brooklin and Beach Meadows.

CHEBOGUE, the third oldest church of our Order in Canada, goes from our list as an aided church, but not from close and sympathetic touch with the Society. The population had so scattered, at least that part of it on which we could depend for support, that it seemed to many of your Committee to be our duty to withdraw from the field. But there were still faithful souls who labored and gave to keep alive the old church, not only for what it had done, but for the sake of needy souls who came in, and to whom no other church in the district was so well fitted to minister. Your Committee continued the small grant, and now have the joy of seeing the church become the legatee of \$20,000 from one, who while not a member, gave this goodly sum because it was his mother's church. We are confident that the friends there will not settle down to the selfish enjoyment of their good fortune, but will continue their oldtime effort, and use the money to extend the Master's Kingdom.

The extended field on the Cobiquid Bay, on which Rev. A.

W. Main has spent four years, continues to grow in strength and interest.

KINGSPORT is still under the care of Rev. D. W. Purdon, and has with great courage and perseverance built a parsonage, much to the comfort and encouragement of the pastor.

Of the nineteen churches, with eight out-stations in the Province of Quebec, but three are in receipt of missionary aid, while every church contributes, and most of them largely, to our missionary work. And of these three, two are provided for specially by legacy, so that only one church draws from our funds. Old Quebec shows up well in comparison.

The receipts from Quebec are, from subscriptions and invested funds, over a dollar per member, while those from Ontario are under twenty cents. Your Secretary notes these things as a pastor of an Ontario church.

AYRES CLIFF has had a change of name as well as a change of pastor. After the departure of Mr. Rose, Student Hindley supplied during the summer with much acceptance, which is uniformly the case with our students. I wish we had more of them. Rev. C. S. Pedley has supplied the church since January, and having received a call to the pastorate, has settled in what we hope will be a long and successful pastorate.

Rev. George Skinner is still at Fitch Bay.

Rev. W. R. Harvey has resigned from Point St. Charles to accept a call to Rock Island. This church is sadly handicapped by the want of a proper building. It is next to impossible to build up a city church without a suitable plant.

FRANKLIN CENTRE is supplied by Student Tippet, as is Amherst Park, Montreal, by a student.

The scarcity of men has left some of our Ontario churches pastorless, yet we have been able to make some settlements, and these have been prosperous.

In Ottawa, Zion, Rev. H. I. Horsey has served for ten years including student supply, and holds a large place in the hearts of his people. Severe illness has interfered with his work during the past winter, yet the church has gone on. A much-needed addition to the building has been secured by the generous gift of Mr. J. B. Burland of \$1,000, and \$500 from the church extension branch of your Society, to which is added the splendid effort of the people to help themselves. The church is now in a position to go forward. They will soon reduce the amount of grant asked for from your treasury.

KINGSTON.—Calvary has had a year of progress. Fifteen have been added to the church, but the helpful influence of both church and pastor is wider than figures can convey to us. Rev. Geo. A. Lowes, the pastor, has been in much demand for evangelistic work and has been so successful in the work that he is convinced that his duty lies in giving his whole time to it, to the giving up of his pastorate. This will be for the consideration of your new Committee, and a man is needed for Calvary.

COBOURG AND COLD SPRINGS.—This field has been under the pastoral care of Rev. A. Margett for a year and a half. Cobourg church was re-opened and has grown steadily since. It needs the care of the present pastor and the help of the Society for some time yet. They are paying off all their debt and making some necessary repairs, which together amount to \$1,250. This is good work. Granted a continuance of the present arrangement and the future of the church is assured. Cold Springs church decided last fall to continue the union with Cobourg, and is building new sheds, and bought an organ, thus incurring an outlay of \$600. Student Anthony gave good help last sum-

mer, and Mr. Pierce takes the work this summer. With Cobourg it is a heavy charge for one man.

BOWMANVILLE.—Rev. W. Hipkin has been in charge since December last, and arrangements are being made for his installation. The faithful band is full of hope and courage. Mr. Hipkin's ministrations are of a high order, and the church is once more getting a grip on the community. A grant will be needed here for a few years to come.

TORONTO, ZION, had a grant the past year and may need a continuance of even a larger one the ensuing year. Old Zion has been a good friend of our Society in the past, and we hope she will soon regain her oldtime vigor and honorable position in the Queen City.

ALTON.—Rev. A. R. Schrag has served the church for a year, having settled as soon as he was graduated, and a good year's work has been done. A parsonage is on the way, which will be ready for occupation ere winter sets in, and is already provided for, so no shadow of debt will dim its parlors.

BARRIE has been dependent on such supplies as could be obtained since losing their pastor, Rev. C. S. Pedley, in January. Student Hindley is now in charge for the summer.

STRATFORD has had a change of pastor. Rev. J. P. Gerrie has returned to his old charge. Rev. G. A. McKenzie having supplied Forest for a few months goes to Bethel, Kingston. Mr. Gerrie is at home in Stratford, and is in the way of steady progress. The fluctuations in business in the town have been trying, and, as might be expected, interfere with the income of the church. These will soon pass away.

Passing on to Manitoba and the Northwest: Brandon grows steadily each year and reduces the grant under the leadership of Rev. T. A. Munro. As it is difficult to get a house for the

minister, so the friends are making an effort to build one. This will greatly add to the strength of the cause. Mr. Munro is our superintendent for the Northwest and British Columbia, and has rendered valuable service to the Society.

The Welsh settlement at Saltcoats, Assa., is still under the pastoral care of Rev. W. T. Morris. Two buildings are needed, and steps are to be taken soon to obtain them.

The interesting Scandinavian field of Wetaskiwin is growing. A second man has been secured, and the work will now be more vigorously pushed. Rev. G. A. Sanden will continue to have charge of the whole field, and the young man will work under his direction.

We ought to begin in Edmonton. The town is growing fast, and unlike the mining towns, there is no question as to its permanency. The same is true of Calgary and several other centres.

NELSON.—The changes in mining interests have militated against the growth of the town. Indeed, it has gone back, and so our cause there has suffered. It has ever been a difficult field, and the difficulty of getting men fully fitted for the work has been great. Rev. E. H. Holman has retired from the work, and now has left the country. Your Committee decided to sell the property and close up the work; but as the Colonial Society has aided us so liberally in the outlay, we wrote to the Secretary, sending a copy of our Superintendent's report before taking action. As yet we have no reply; the Secretary is doubtless consulting the Committee.

As both churches in Vancouver are self-supporting, they do not report to us; but both are doing good work.

VICTORIA.—On the resignation of Rev. R. B. Blyth, Rev. H. A. Carson went out a year ago. It has been a year of quiet

and steady progress. The people are taking hold of the debt with a will, and when they are free, with their beautiful house of worship and energetic young pastor, may look for a good account of the Victoria church.

On the whole our Missionary Churches are doing splendid work and have the upward look of hope and courage.

The thanks of the Society are due to the Colonial Missionary Society for their continued and generous support, and now crowning that support with the honor of such a representative as Rev. John Brown, D.D., now with us. This is true imperialism.

I cannot close this report without reference to the removal from our midst of one who was our first Superintendent, and for many years the efficient Secretary of this Society, and whose deep interest in it never abated. His last thoughts were of our churches, and out of his very moderate estate, left \$100 to our funds. We shall miss the kindly face of our brother, Rev. John Wood. Others have gone from our ranks, of whom suitable mention will be made, but his close connection with all our missionary operations calls for affectionate reference here.

All of which is respectfully submitted,

W. MCINTOSH,
Secretary.

REPORT OF EDUCATIONAL SECRETARY.

In presenting this report it is intended that it shall outline the general features of the work of two years, as no formal report was made at the last meeting of the corporation.

During the first year of office the work undertaken by your Secretary embraced a weekly correspondence for "The Canadian Congregationalist," the preparation and publication of the pamphlet "Our Scandinavian Missions," the preparation of the illustrated lecture on "A Century of Congregationalism in the Province of Quebec," the issuing of a special circular to all the ministers re the annual collection, and the despatching of the usual supply of envelopes; and in addition to this considerable correspondence in answer to inquiries concerning various features of the general work.

During the second year much the same work has been required but on a somewhat larger scale.

The correspondence for our weekly organ has been more regularly and systematically maintained, largely for the reason that with the marked improvement in the paper it has offered one of the most valuable means of communication with the various churches. As far as possible all items of interest that have reached the Secretary concerning the work in our mission fields have been duly chronicled, but it has often been very hard work to secure these. A series of illustrated articles has been prepared; including sketches of the following churches: Franklin Centre, Victoria, Ottawa (Welcome Zion), Melbourne, Wetaskiwin, Liverpool, Keswick Ridge, Brandon, Kingston (Calvary), and Margaree. Special articles concerning our Welsh work have also appeared in the re-publication of a letter from Rev. W. T. Morris that formerly appeared in the Winnipeg

"Tribune," and also a history of the colony prepared by our missionary.

The illustrated lecture on "A Century of Congregationalism in the Province of Quebec" has been delivered by the Secretary at Ulverton, Danville and Ayer's Cliff, and by Rev. R. G. Watt at Melbourne. In the latter case the original purpose in view in the preparation of the lecture was best served, i.e., that it should be used in local centres by the pastors themselves. The manuscript is written in full and the slides are all ready for use.

In preparation for the annual collection a special circular was prepared for distribution among the churches. Two other circulars were also issued, one to the ministers and one to the Superintendents and Secretaries of the Sunday Schools, the latter having special reference to an offering from the scholars for the Wetaskiwin work. Special envelopes for both the church and Sunday School collections were prepared and distributed.

The work of special correspondence in reply to inquiries has greatly increased during the past year. This has been extremely significant of the place that must be filled by the Educational and Information Department. Frequent inquiries have come for information for use in missionary meetings and special appeals. In a number of instances additional copies of "Our Scandinavian Missions" have been asked for. Advice has been sought concerning special work to be undertaken. All of which goes to show that this department fills a long-felt want, and that with its still further development it will serve a large purpose in awakening interest and stimulating activity.

In response to a special appeal through "The Congregationalist" a Swedish pulpit Bible was kindly donated to our church at Wetaskiwin by Mr. Wickson, of Olivet Church, Toronto. If he had waited a day or so longer he would have been too late to have this honor, as the ladies of Calvary Church, Montreal,

almost immediately afterwards intimated their wish to supply the need. A request for an organ has yet to be answered.

Concerning the future of the Department it cannot be too strongly urged that every effort be made to strengthen it and to enlarge its usefulness. Every cent spent on it is money well invested. The work ought to be in the hands of someone who has a great deal of time to devote to it. If a Superintendent is secured it should be fully under his supervision. Only through thorough information will our churches be aroused to enthusiastic interest. And only as enthusiasm is widespread will our policy become well defined and aggressive.

FRANK J. DAY,

Educational Secretary.

TREASURER'S REPORT.

The financial statements herewith submitted show that the General Mission Fund, which closed with a deficit last year of \$552, shows a surplus this year of \$667.

The church subscriptions from Ontario and Quebec, as compared with last year, give a net increase of \$313, showing by districts as follows:

Ontario Western, increase	\$ 39	
Ontario Central, decrease		\$88
Ontario Eastern, increase	100	
Quebec, increase	262	

Nova Scotia and New Brunswick are credited with a considerable increase, but \$275 of this increase belonged to the previous year, being the Women's Board subscriptions for 1904, received too late for entry in last year's statement.

In this connection it is greatly to be regretted that the two largest churches of our Order in the Dominion are not represented in our list. This should surely be rectified.

Our receipts from legacies this year are considerably in excess of last year; principally from a legacy by the late Mr. Thomas Shapley, of Torquay, England, who was, thirty years ago, a member of Zion Church, Montreal, and left, under his will, two hundred pounds to the Society, netting nearly \$900. In a letter to the Treasurer shortly before his death, he indicated that his interest in the Society was attributable to his loved pastor, the late Dr. Wilkes; and that though he had left Montreal more than thirty years, he still retained his interest in the Society.

The late Rev. John Wood, first Missionary Superintendent,

and later Secretary, left \$100, to be given to the Society at his death.

The hearty thanks of the Society are due to the Colonial Missionary Society and to the Women's Board of Missions for their continued financial help; also to the Society's auditors for their services.

Respectfully submitted,

Montreal, May 31st, 1905.

CHARLES R. BLACK,

Treasurer.

MINUTES OF ANNUAL MEETING.

The twenty-fourth annual meeting of the Canada Congregational Foreign Missionary Society was held in Bond St. Church, Toronto, on Thursday, June 8th, 1905. Rev. T. Bradley Hyde, the president, occupied the chair. After the singing of the hymn "Jesus Shall Reign" Rev. John Salmon led in prayer.

Rev. P. C. L. Harris was appointed minute Secretary for the meeting, and reports were presented as follows. Secretary's report by Rev. D. S. Hamilton; Treasurer's report by Mr. H. W. Barker, of Toronto. A short conference on "How do you raise your missionary offerings?" followed the reading of Mr. Barker's report. Rev. Dr. Temple, of Cleveland, was introduced at this point. The report on Mission Study Classes was presented by Mr. E. C. Austin, and the report on Prayer Union Department by Miss F. B. Rawlings. On motion of Rev. J. Salmon, seconded by Mr. H. Yeigh, the reports were all received and adopted. Mrs. Wookey, of Toronto, presented the greetings of the C. C. W. B. M., referring specially to the meetings of the Board which had been recently held in Montreal.

Rev. G. G. Warren, Methodist Missionary to Central China, was introduced by the President and spoke of work in China, referring particularly to the work of Rev. Hudson Taylor and Dr. Griffith John.

Rev. Principal Hill was asked to convey the greetings of the Society to the American Board.

A letter from the Embro church was read thanking the Executive for its gift to the church.

On motion of Rev. C. E. Bolton, seconded by Mr. Pym, the officers and directors were thanked for their services, and the retiring Officers and directors were re-elected with but two changes. Rev. J. B. Silcox's name is substituted for Rev. J. L. Gor-

don, and Miss F. Robinson's in place of Mrs. Wm. Kerr.

On motion of Rev. A. F. Pollock and Rev. H. F. Thomas, a resolution was carried unanimously expressing appreciation of the work of the Missionaries on the field and confidence in their methods of work.

A resolution moved by Rev. W. H. Watson, and seconded by Rev. J. K. Unsworth, dealt with plans for more extensive work, and was as follows:—

“Resolved, In view of the larger freedom, as a result of our churches being relieved from the burdens of debt which have acted as barriers hitherto, we desire to extend as early as possible the sphere of our operations, and to this end would suggest the following to the consideration of the Executive, as also to our churches, looking toward a forward movement to be taken in the year 1906, so that, the one which shall appear wisest and best after careful deliberation be adopted by us.” The 3 suggestions are as follows:—

- I. A year of heartfelt thanksgiving expressed by our gifts for all the blessings of the past, emphasising the last two years of our church life.
- II. A forward move in connection with the work in Africa.
- III. The opening of a new field in affiliation with the L. M. S.

Rev. G. G. Warren led in prayer, after which the hymn “Go Labor On” was sung and the meeting adjourned, the President, Rev. T. B. Hyde, pronouncing the benediction.

P. C. L. HARRIS,

Minute Secretary.

REPORT OF MISSION STUDY CLASS WORK IN CONNECTION WITH THE YOUNG PEOPLE'S DEPT.

The work of this comparatively new branch of our Young People's Department is progressing slowly but surely.

The efforts of the past year may perhaps best be described as a campaign of education and information, and already there are indications that these endeavors will bear fruit in the near future in the shape of increased Missionary development of a more intelligent missionary spirit and purpose among our young people.

Four circular letters have been sent out: two in the Fall of last year and two in the Spring of the present year. In connection with the first of these, a plan of mission study was outlined, introducing and recommending the use of our own first text book, "The Story of Chisamba." This book is arranged with titled paragraphs and is especially adapted for the use of mission study classes. In the two later letters, above mentioned, an effort has been made to secure information in regard to the Missionary work of our Young People's Societies, Sunday Schools and Churches. Each letter contained a list of questions and the replies received from about thirty correspondents in as many churches, indicate that good work is being done, especially along the line of missionary giving.

In the final letter special attention was drawn to the matter of missionary libraries and under separate cover lists of two libraries (kindly supplied by the Young People's Missionary Movement), with prices and all information attached, were sent to each correspondent.

With the kind consent of the editor-in-chief a young people's column has been conducted in the missionary department of the Congregationalist, and a series of sixteen articles have appeared, dealing mainly with the subject of mission study, and

considering the matter from a variety of view points.

Correspondence has been received from Mr. H. W. Hicks, leader of the Young People's Department of the American Board, relative to co-operation with our own Young People's Missionary Department in the matter of the use of missionary literature, etc., published by the American Board.

Samples of the above literature have been received and a small quantity dealing especially with mission study has been ordered and sold. A package of forty pamphlets, entitled "The Mission Study Class, How to Organize It" were sent free of charge by Mr. Hicks, and subsequently distributed by your Secretary amongst leaders of missionary work in our churches.

The sale of our text-book, "The Story of Chisamba," which has been placed in the hands of the leader of this department, has progressed very well, considering the urgency of other claims. Already more than half of the present edition has been disposed of. Everything points to a largely increased demand during the coming Fall and Winter.

Africa will (D. V.) be the general subject of mission study in all denominations next winter, and there will therefore be special enquiry for books of Missionary enterprise in the "Dark Continent."

Special efforts have been made to draw the attention of our young people and others to the annual conference of the Young People's Missionary Movement to be held at Silver Bay, Lake George, N.Y., July 21-30. It is earnestly hoped that our Canadian Congregational delegation will be larger and more representative than ever before, especially in view of the fact that steps are being taken to conduct a similar inter-denominational missionary conference next year in Canada.

With regard to the tangible results of the foregoing work, it is a pleasure to be able to report the organization of at least three mission study classes, and to have received letters from

several correspondents stating that they are preparing to organize classes in their respective churches next Fall. The following statements from leaders of the above classes are encouraging and stimulate to more earnest efforts in the future. One leader reports:—"A good deal of interest in mission work has been aroused, and through the interest and spiritual quickening received one of the members of the class will very probably become a foreign missionary." Another writes:—"The meetings have been of great interest and profit to us."

These three classes have a combined membership of 38 and the Story of Chisamba has been used as the text-book in each case.

Much interest in the work of this department is manifested by Mr. Harlan P. Beach, Educational Secretary of the Student Volunteer Movement, who writes as follows:—"It is a joy to hear that your people are getting on well with the Story of Chisamba. I like the book exceedingly. Your interest in the mission study classes of the Congregational Churches of Canada, especially appeals to me. I do hope that our Congregational young people may be thoroughly aroused to take an active part in the world's evangelization."

It is earnestly recommended in view of the wide doors of service opening up to us as a denomination both at home and abroad, that a student from our college, or some other qualified person, should visit our churches as early as possible, in the interests of Missions, and of our young people's work in general, and thus follow up with advantage the interest already secured through correspondence.

In conclusion special thanks are due to the following gentlemen for valuable assistance rendered at various times: Dr. F. C. Stephenson, of the Methodist Young People's Forward Movement for Missions; Mr. H. W. Hicks, assistant secretary of the A. B. C. F. M.; Mr. C. V. Vickrey, secretary of the Young

People's Missionary Movement, New York, and especially to Mr. H. W. Barker, to whose efforts the origin of this work in our own denomination is due and with whom the leader of this department is glad to be associated.

The above is respectfully submitted.

E. C. AUSTIN.

Secretary.

DEPARTMENT OF PRAYER UNION.

Every great crisis in the Missionary field has been turned in answer to prayer and we know that no man can tell what hath been wrought by prayer.

We can then realize how a report of a Prayer Union must in a measure be indefinite, for who can tell of the broadening of the sympathies, or deepening of the faith and holy desires or more exalted view of the glory of God which many of us owe to our prayer union.. Our total membership is 256, our increase for this year seventeen. Our growth has been slow but steady, and there are indications of a greater increase in our membership.

The churches represented in the Prayer Union are 31.

Your Secretary has spoken at a few meetings, written appeals through the "Leaflet" and Congregationalist as well as making personal solicitations for members.

We hope and look forward to the time when every church member will be earnestly and expectantly praying for the coming of the Kingdom of Christ.

When they are praying earnestly and persistently for the work there will be a better response to the needs. For when many hearts are moved to pray, they will be moved to give and there will be no lack of men or means.

Our pledge is:—Recognizing that I am called to fellowship with Christ in making known His Gospel to all the world, I promise to pray each day for the work of the West Central African Mission that all who hear the Gospel there may be truly and speedily converted.

Our pledge is confined to the work of the West Central African work, which is truly our only Canadian station.

Our churches have gone ahead of our Prayer Union and have given sons and daughters to nearly all parts of the world. We have representatives in Japan, China, India, Ceylon, Turkey and South America, and from them comes the request, Do not forget to pray for us.

Shall we, or think you it is our privilege, to broaden out the work. A glance over our treasurers' reports would indicate some of our money, at least, is following our workers. Shall we give our men and money and not our prayer.

I would suggest if some plan could be arranged that our Prayer Union might embrace every worker who goes out from our Canadian churches to the foreign work that such steps be taken.

The above is respectfully submitted.

F. B. RAWLINGS.

TREASURER'S REPORT, 1904-5.

In presenting the twenty-fourth annual report of the Treasurer, one cannot refrain from praising God, from whom all blessings flow. As will be seen from the comparison given under "Receipts," our regular income has been nearly twenty-three per cent. larger than that of the previous year, and this, shall we say, *in spite of* the extra financial strain which has been upon our churches? nay, but rather *because of* the extra burden, for, from the Atlantic to the Pacific, Congregationalists are getting into the habit of larger giving, of giving to the feeling point, and are learning the blessedness of thus entering more fully into partnership with the Master in the extension of His Kingdom upon earth.

The totals for the different Provinces are before us in the printed statement. It will be noticed that while Ontario and Quebec have remained practically stationary as to their contributions for the Regular Fund, the Maritime and the Western Provinces have increased their offerings nearly sevenfold. The large increase in the west is accounted for almost entirely by the Winnipeg First Church offering of \$278, while nothing was reported last year. The total of \$75 from legacies is made up of two amounts, one of \$50 and one of \$25. The late Rev. John Wood, always a staunch friend in his lifetime, remembered the foreign work in his death and left a bequest of \$50. The other legacy of \$25 was left the Society by the late Philip Lyster, of Melbourne, Que.

The largest amount received from any one church was \$365 from the Toronto Northern. Montreal Emmanuel comes second with \$333; then follow Winnipeg First, \$278; St. Andrews—little St. Andrew's, with a membership of 38, more than half of them women—\$172, an average of nearly \$4.50 each! Montreal Calvary \$168, and Kingston Calvary \$145, which latter includes

the splendid gift of \$100 from Mr. B. W. Robertson.

Among the many pleasant surprises the year has brought are increased gifts from a number of our churches. For example, our good Scotch friends at Maxville have more than doubled their offering, which now totals \$126, and this during their very generous and self-denying efforts on behalf of the Jubilee Fund! Again, Hamilton First has been steadily increasing until it has now reached \$100, and this while they have been paying off their whole debt! And London Southern has done remarkably well, increasing the amount given from \$13 to \$43! Toronto Broadview is also deserving of special mention, having, in addition to paying more than half their church debt, contributed \$53 for foreign work. And to prove what a difficult thing it is to kill a Congregational Church, Stouffville sends in \$50! In Quebec Province, we are glad to see Ayer's Cliff, Boynton, Amherst Part and Westmount on the list this year.

Wonderful things have taken place down by the sea. Keswick Ridge has climbed from \$13 to \$32. St. John, which last year was not in the race, has appeared with \$83, *because of* its exceptional giving to the debt fund. Sheffield, always a missionary church, has increased from \$41 to \$62! At Yarmouth, the tide has risen from \$69 to \$103; And, besides the church offerings of these Lower Provinces, the Woman's Board of N. S. & N. B. have shewn their interest in our African work and in that of the McEwen's in South America by forwarding \$298, which means this much more from the Maritime Churches.

From the west, besides the large gift from Winnipeg First, comes \$20 from Victoria instead of the \$1.00 of last year; and last, but by no means least, the little Welsh church in Saltecoats, "their deep poverty abounding unto the riches of their liberality," have forwarded \$11, this being, the Pastor writes, "the first money the church has given excepting a few cents now and then for buying wine for the Lord's Supper. . . The people

are very poor, having lost nearly all they had in Patagonia by the terrible floods." May they be richly blessed in the giving!

But not only have we had increased receipts: the expenditure has increased at a much greater ratio, and we have to report a deficit of nearly \$1,900. This has been caused principally by our having been responsible for Mr. Moffat's salary for the whole of the year, and by the home-coming of the Masseys. This year, while we shall not have Dr. Massey's salary to pay, our expenses will likely be even heavier than for the year just closed. Not only will there be Mr. Moffat's salary, but about \$800 will be required for Mr. and Mrs. Currie's traveling expenses coming home. And there is an urgent need of a doctor to be sent forward at the earliest possible moment. This means additional expense for travelling and outfit. And then, with the freeing of our churches from the bondage of debt, we are looking forward to the extension of our work and possibly to the opening up of a new station on British territory. That there is a growing interest among our people is shewn by the fact that they have furnished such a large share for the work of Mr. and Mrs. McEwen in Brazil.

When we contemplate these larger needs, it is a joy for us to contemplate also the large possibilities for foreign missionary giving even within our present membership. (1) There is our regular constituency of earnest, prayerful supporters, whom we value most highly. (2) There is the large field within our borders which is as yet producing no fruit. (3) The practice of giving for the Jubilee Fund has enlarged our hearts, and the promise of greater gifts is already being seen.

It may surprise some to know that this report reveals the fact that the average giving for foreign missions has been less than forty cents per member, while for the support of our own field it has been only thirty cents! The returns from the individual churches indicate that only a small percentage of the

members have given anything. In some churches, even the ministers have not given, while in others possibly the ministers have done it all.

How can we make the incoming year the best we have ever had? By every member of every church giving regularly and continuously, so much a week or so much a month, throughout the entire year. How can this be brought about? Much devolves upon the pastor, who may be a potent educational force in imparting missionary instruction to the people and in organizing for larger financial results. It is a good thing to have an annual foreign missionary Sunday, but that should not be the only day in the year for instructing, for praying, and for giving. It is a law of the Kingdom that the more we give the more we shall get. Thank God, our people have been making room for a large blessing by giving to the point of sacrifice; but money is not the greatest need of the Society or of the denomination. As Dr. Hudson Taylor, who passed to his reward a few days ago, once said, "We are commanded to see first the Kingdom of God,—not means to advance it;" but we have the Master's promise that if we seek first his Kingdom all these things shall be added: When this is our first thought, it is safe to leave the rest to Him.

Respectfully submitted,

H. W. BARKER,

Treasurer, pro tem.

N.B.—We are greatly encouraged in being able to present this report in view of the other financial obligations upon us as churches. Notwithstanding our largely increased expenditure and consequent deficit, we look forward with hopefulness to the large and generous response which will be made possible by the retiring of our church debts. It must be remembered that this coming year will involve us in heavy expenditure owing to the expected home-coming of Mr. Currie and the sending out of a doctor. In addition to all this, we desire to extend our work in several directions in order to overtake the opportunities and pressing needs of the field.

Rev. Principal Hill graciously accepted the gift on behalf of the College.

The meeting then adjourned.

A. R. SCHRAG,

Minute Secretary.

ANNUAL REPORT OF BOARD OF GOVERNORS.

The Board of Governors has pleasure in presenting the following report for the year ending May, 1905: —

All branches of the work have been satisfactorily maintained.

The Board congratulates the Corporation upon the efficiency and devotion of the members, of its Faculty, and expresses appreciation for the value and spirit of the year's work done under their care.

Mr. Chas. McD. Hay, of Toronto, accepted his appointment to the position of Governor, and while prevented by distance from attending meetings, has proved himself a warm and very helpful friend of the institution.

The Board would express to the churches its appreciation of their support, and in this connection would urge the adoption by all the churches of a systematic agreement by which these shall be assured—a presentation of the claims of each of our representative institutions, before each church, once in every year, at the same time. October is suggested for College month.

The Board also emphasizes its appreciation towards those personal subscribers, whose loyalty and generous interest have meant so much in encouragement and practical results.

Mention is made with regret of the death during the year of two of the alumni, Rev. John Wood, of the class of 1851, and Rev. Chas. Duff, M.A., of the class of 1862, both of whom actively participated in the discussions of the last and many previous annual meetings.

The three Governors who retire this year are Messrs. Chas. Gurd, Lieut.-Col. J. H. Burland, and Alex. McA. Murphy.

The reports of the various departments now follow:—

REPORT OF THE SENATE TO THE CORPORATION.

THE TEACHING STAFF.

The past year has witnessed another and very definite step forward in the steady progress of this College towards its high ideals of efficiency for the service of the churches, in the addition to the teaching staff of the Rev. Eugene W. Lyman, M.A., B.D., as Professor of Systematic Theology and Philosophy of Religion.

Prof. Lyman delivered his inaugural lecture at the opening exercises on the 6th of October last, his theme being "The Theology of the Missionary Churches—Its Sources." The good impressions then made have been deepened, not only by his thorough work in the classroom, but also by the way in which he has identified himself with the life of our churches during the past year.

STUDENTS ON THE ROLL.

We are glad to report that the steady decline in the number of students which has characterized most Theological Colleges during the past few years, seems, as far as this College is concerned, to have come to an end. We have more than held our own, and believe that we are entering on a period of numerical growth as well as greater efficiency.

The following new students were received:—

Mr. W. H. Burgess from the Tilbury Church. Mr. Burgess unfortunately became sick during the McGill Christmas examinations and had to return home. We hope to welcome him back next session.

Mr. J. W. Pierce came to us from the Listowel Church, and entered the second year in McGill.

Mr. Ola. R. Houghton came from the First Congregational Church at Bristol, Vermont. His business engagements allow

him freedom for study during most of the day. He embraced our first year in Theology, having already done one year's work in Middlebury College, Vermont, and has taken part of the year's work with us.

Mr. W. J. Davey came to us recommended by the Rev. Mr. Creegan, Congregational minister of Belfast, Ireland, as well as by the Secretary of the Belfast City Mission, with which he had successfully labored for the past four years. He entered our final preparatory year.

We are glad to report also that the graduates of our College now in the ministry are taking an increasing interest in the B. D. Course. We have enrolled three additional students of this class, viz., the Rev. Geo. Ellery Read, the Rev. J. R. Drysdale, and the Rev. Arthur R. Schrag. Mr. Schrag has creditably passed one examination during the past session. Mr. Drysdale has found it convenient to attend classes in Knox College (Presbyterian), Toronto, and has successfully passed examinations there in several subjects, due allowance for which has been made to him in his work in the course for the degree of B.D. in this College.

The following was the roll at the close of the session:—

1. *Theological Classes, Senior Year*—W. E. Baker, W. R. Harvey, I. A. Rose, S. W. Anthony. *Middle Year*—J. J. Hutchinson. *Junior Year*—J. G. Hindley, B.A., Ola R. Houghton.

2. *Preparatory Classes*—G. S. Gervan, B. V. Tippet, W. J. Davey.

3. *University Classes*—E. Leroy Rice, and W. H. Burgess, first year; I. W. Pierce, second year.

4. *B. D. Course, Extra Mural*—Revs. E. C. Woodley, M.A., R. J. Drysdale, G. E. Read, A. R. Schrag.

In addition to the above may be mentioned the fact that three students of the Presbyterian College attended classes in O. T. Introduction throughout the session.

SPECIAL LECTURES.

On account of very serious illness President N. Douglas Mackenzie, D.D., of Hartford, was unable to carry out his engagement to deliver a course of lectures in connection with the McKechnie lectureship on the Philosophy of Religion, as advertised. The Faculty were, however, fortunate in securing the services of Prof. Geo. Barker Stevens, D.D., Professor in Systematic Theology, Yale, who gave a course of six lectures on "The Philosophy of the Christian Doctrine of the Atonement." These lectures were greatly appreciated. Many of the students of the other Theological Colleges were in regular attendance, besides professors, resident ministers and others, both ladies and gentlemen.

Last year we were unable to secure a special lecturer in this department. We have now to report that Mrs. McKechnie generously allowed her annual gift to be used in the purchase of much needed books for the library, bearing upon the work of this department of study.

EXAMINATIONS AND AWARDS.

The usual Christmas and Sessional Examinations have been held:—

In the Senior Year the following students passed in the order named, viz., W. R. Harvey, S. W. Anthony, I. A. Rose. Mr. W. E. Baker fell sick during examinations, one of which was deferred and taken after a few days, and another was missed altogether. His class work during the year and his standing in the examinations taken were such as to warrant the Senate in giving him, as well as the three first named, the diploma of the College.

The four men of the graduating class also presented theses on subjects chosen by themselves, showing commendable ability and application. Mr. Harvey's is worthy of special praise, both on account of thoroughness of investigation and mastery of the

subject. Its aim was to establish the thesis "That the religion of a given race at a given time is relative to the whole mental attitude of that time, and that Christianity is no exception to this principle."

The John Frederick Stevenson Memorial Medal (gold) was awarded to Mr. W. R. Harvey.

Robert Anderson Bursaries of the value of \$30 each were awarded to Mr. S. W. Anthony and Mr. Harvey.

The Calvary Church Medal (silver) was awarded to Mr. Harvey.

The students of the other years have all passed the required examinations, with the exception of those in the Preparatory Department, some of whom are conditioned in one or two subjects.

A prize of twenty dollars, generously given by Mrs. Hill for the encouragement of the study of elocution, was awarded to Mr. J. G. Hindley, B.A.

A Robertson Macaulay Bursary of the value of \$60 has been awarded to Mr. E. Leroy Rice, of the First Year in Arts, McGill.

The standing of Mr. I. W. Pierce, Second Year Arts, did not warrant the granting of a full Bursary to him, yet on account of his general conduct and diligence a part of the second Robertson Macaulay Bursary, viz., forty-five dollars, was awarded to him towards the payment of his fees.

The remainder of this Bursary, viz., fifteen dollars, was granted to Mr. J. G. Hindley, who has taken a post-graduate course in the University and done excellent work, and for which no special scholarship has been provided.

STUDENTS' ENGAGEMENTS.

Most of the students who wished it have received appointments for the summer, and three members of the graduating class have accepted calls to the pastorate, all of them going to

Nova Scotia, viz., Mr. Anthony, to Milton; Mr. Baker, to Chebogue, and Mr. Rose, to Pleasant River.

READING COURSES FOR MINISTERS.

Towards the close of the session the Faculty received from the Secretary of the Western Association a copy of the following-resolution passed at its meeting last fall, viz.: "That whereas we believe there are men in our ministry who desire to improve their education, but who are unable to go to college, we, the Western Association, memorialize the College to provide an extra-mural course to meet the felt need." In reply the Faculty stated that it would favorably consider the suggestion of organizing reading courses as a guide to men who desire to prosecute orderly courses of study should there be any real demand. Meanwhile it would be well if those who desired such assistance would communicate with the College so that their individual needs might be met. Moreover, whatever might be done should not be rewarded as equivalent to a College Course, but simply as a help and guide to individual effort. This action of the Faculty was approved by the Senate.

REGULATIONS CONCERNING THE DEGREE OF DOCTOR OF DIVINITY.

The conditions under which the higher degree in Divinity may be conferred by this College according to the powers which it possesses by statute, have been considered from time to time. We have now to report the following regulations which were adopted after an investigation with the regulations governing this matter which are in force in the best colleges, both in Canada, the United States, England and Scotland. They are as follows:—

I. For the Degree of Doctor of Divinity, taken in course.

1. The Senate reserves the right to determine who are eligible to become candidates for this honor.

2. Candidates must be Bachelors of Divinity or Arts of ten years standing, and have been ordained ministers of the Gospel for the same number of years.
3. They must pass examination and show excellence in one of the following departments:—
 - (1) The Old Testament, in Hebrew and Aramaic, including a study of the text, grammar, literature and doctrine.
 - (2) The New Testament in Greek, including a study of the text, grammar, literature and doctrine.
 - (3) Systematic Theology and Apologetics.
 - (4) Ecclesiastical History, History of Doctrine, and Homiletics.

No text-books to be prescribed, but candidates may consult with the Faculty as to appropriate books.

4. They must also present a thesis of not less than seven thousand words on some theme connected with the department they have chosen, the topic to be first submitted to the Faculty for their approval.
5. The fee for the degree in course shall be twenty dollars.

II. *For the Degree of Doctor of Divinity, honoris causa.*

1. The name of any person proposed to be admitted to the Degree of D. D., honoris causa, shall first be submitted to the Registrar in a communication signed by two members of the Senate three months before the April Convocation.
2. The Registrar shall then submit the name to a Committee consisting of the President, the Registrar, and three members of the Senate to be chosen annually for the purpose.
3. If this Committee see fit the name shall then be presented to the Senate, and the vote shall be taken by ballot, a

two-thirds majority of the members present being required for the granting of the degree.

4. The three months' notice required in the first regulation may only be waived in cases of the greatest urgency, when, if necessary, a special meeting of the Senate may be called to take action.

AMENDMENTS TO THE REGULATIONS CONCERNING THE COURSE FOR
THE DEGREE OF B. D.

Touching the third printed regulation concerning non-graduates in Arts, the Senate has resolved that in the case of a graduate of this College whose standing in his final year reached 75 per cent., the requirements of an additional year's residence and of attendance at lectures upon the prescribed subjects shall be waived, provided that examinations after all the required work shall have been satisfactorily passed, and provided further, that such a candidate has the maturity of personality and experience which in the judgment of the Faculty justifies such action.

CLOSING EXERCISES.

The Annual Sermon to the graduating class was preached in Bethlehem Church, Westmount, by the Rev. Wm. Munroe, pastor, on April 16th last, and the closing exercises were held in the Assembly Hall of the College on the following Tuesday. A feature of special interest was the unveiling of a beautiful portrait in oil colors of the late Rev. J. F. Stevenson, D.D., for some time Principal of the College. Dr. Hill made the presentation on behalf of the donors, and the Rev. H. Pedley replied, accepting the gift on behalf of the Board of Governors.

Respectfully submitted on behalf of the Senate,

W. HENRY WARRINER,

May 9, 1905.

Registrar.

REPORT OF THE LIBRARIAN.

MONTREAL, APRIL 17, 1905.

The Governors of the Congregational College of Canada.

GENTLEMEN,—The following report of the Librarian for the year April 18, 1904, to April 17, 1905, is herewith respectively submitted.

During the year the Library has received funds from its customary sources, viz., the collections at the closing and opening Convocations of the College, and the interest from the permanent endowment. The amount thus derived has been expended in needed books in the departments of the Old Testament, New Testament and of Practical Theology and Missions.

In addition a special gift of \$100 was received from Mrs. McKechnie, of Granby, for the purchase of books especially in the department of Systematic Theology and Philosophy of Religion. Ten dollars of this amount was devoted to the department of Homiletics and Practical Theology.

The Librarian, on behalf of the Faculty, desires to express their thanks to Mrs. McKechnie for her generous and timely gift, which has added so many valuable books to the Library.

The following are the receipts and expenditures for the year:

In addition to the books purchased for the Library during the year, the following have been given by the undersigned donors:—

Rev. D. Purdon, Kingsport, N.S., 5 vols.

Mrs. T. J. Tuck, Sherbrooke, 2 vols.

Mr. H. W. Barker, Toronto, 1 vol., viz., "The Story of Chisamba," by the donor.

Smithsonian Institute, Washington, D.C., 1 vol.

Mrs. R. W. McLachlan, Montréal, 1 vol.

ALSO

Various publications and reports from the Department of the Interior of Canada, the Royal Society of Canada, Department of Agriculture, and Geological Survey of Canada.

NEEDS.

The Library is in urgent need of a larger revenue. Apart from Mrs. McKechnie's special gift, the amount available for the purchase of books has been less this year than last. The neces-

sity of having a well-equipped reference library for the best efficiency of an institution of learning is a matter of common agreement. With the addition of another professor to the teaching staff there should be a corresponding increase in the fund for the purchase of books.

The Librarian, therefore, would again urge the wisdom and imperative need of bringing the permanent endowment of the Library, which is at present \$405, up to the \$1,000 *mark*. This would bring an annual revenue of \$50 from that source.

Special gifts for *immediate use* in any department would be of great assistance also, and would be much appreciated.

HARLAN CREELMAN,

Librarian.

HOUSE COMMITTEE REPORT.

Your Committee has pleasure in reporting that the building has been well maintained, and is in good condition.

That the steward and stewardess have satisfactorily fulfilled their duties, but that it was necessary for a portion of the term to secure domestic help for the stewardess.

That the installation of improvements in the heating system has resulted in extra comfort and a feeling of greater safety.

Your Committee asks authority to have a new and permanent flag stone sidewalk, laid in front of the College and Principal's residence in place of the present dilapidated wooden one. The cost will be about one hundred and thirty dollars (\$130).

The interior of the building will be painted by the steward during the summer months, but the Committee recommends that the cupola be painted by outside contract at a cost of about \$50.

Your Committee recommends for the future that the rooms shall not be rented to students other than those associated with the work of the College, and again emphasizes the need of additional class rooms to accommodate the requirements of the four professors.

Your Committee would express appreciation towards the Ladies' Auxiliary for their unremitting and invaluable efforts, and would record the kindly and helpful interest shown by the principal.

Respectfully submitted,

June 5, 1905.

CHAS. GURD,

Convener.

LADIES' AUXILIARY REPORT.

The duties of our ladies have not been very onerous this year, as churches having rooms have not added to, or sent money donations to be spent on them. We hope for a more generous response next year.

Our thanks are due to Mrs. S. H. C. Miner for a handsome carpet and mat, and to Lennoxville for a parcel of linen.

Dishes, kitchen utensils, cutlery, curtains, etc., as required have been purchased with undesignated money.

We will be grateful to Ladies' Aid Societies who will remember us by money donations.

A most enjoyable and enthusiastic reception was given in October to Rev. Prof. and Mrs. Lyman by the Governors. At their request the Auxiliary took charge of refreshments and decorations, to the evident satisfaction of all present.

There is still one bedroom and the sitting-room not adopted by any church, the sitting-room is very much in need of refurnishing, carpet and furniture are all shabby; sums of money for that purpose will be most acceptable.

(Signed) G. A. GURD,
Secretary-Treasurer.

The Committee of the Young People's Lectureship Movement has pleasure in reporting that the Principal has secured as lecturer for the coming session Rev. Prof. Irving W. Wood, B.D., Ph.D., Professor of Biblical Literature and Comparative Religion in Smith College, Northampton, Mass.

ALEX. MCA. MURPHY,
Secretary.

TREASURER'S REPORT.

The Financial Statements for the year, herewith submitted, are very encouraging. While we have to report a falling off in the subscriptions of all the Provinces, yet the increase from investments has enabled us to meet the expenses and nearly pay the deficit of last year.

Ontario last year remitted from 38 churches \$593.95, this year 37 churches \$516.01. Only one church sent more than \$40, viz., Ottawa First, which increased their gift from \$56 last year to \$92.55 this year. I might also mention Ottawa, Welcome Zion, and the Western Toronto, also Stratford, churches that in the past could not see their way to help, but are now, while making great efforts to help themselves can reach out and help the work in general, the most of the Ontario churches have remitted smaller amounts.

In Quebec four churches have failed us this year; last year nineteen churches remitted \$921.58, this year fifteen remitted \$866.88.

In the Maritime Provinces last year thirteen churches remitted \$102.52, this year six churches \$70.30.

In the Northwest, Winnipeg and Victoria, last year, \$111, this year, Winnipeg and Brandon, \$69.50.

From the United States last year \$10, this year \$20.

Personal gifts from Ontario last year \$123, this year \$16.10. This is partly accounted for by Mr. B. W. Robertson giving two years' subscription, \$100, last year.

In Quebec the personal gifts are not so large, because the donors, Mrs. Miner and Dr. Hill, to the annual deficit, were not called upon to the same extent this year.

The increase in interest is caused by a larger amount being invested, and invested in better paying securities, also by the

fact that we had an extra dividend of \$330 from the Dominion Coal Company preferred stock, which has been changed from an 8 to a 7 per cent. stock.

Interest on subscriptions is less, and will be less from year to year, as the subscriptions are paid.

We are again indebted to Mr. Robertson Macaulay for a donation of \$120 for Bursaries, also to Mrs. Hill for \$20 for prizes in elocution. This does not appear in the Financial Statement, as the amount did not pass through the Treasurer's hands. We have much pleasure also in reporting that Mr. Miner paid direct to the Congregationalist, the sum of two hundred and fifty dollars on behalf of the College.

On behalf of the Trustees' Endowment Fund I have to report a decrease of \$921.33. In the year 1902 Mr. A. C. Flumerfelt donated \$5,000 par value of Hutcheson Company, Limited, doing business in Victoria, to the College. It was valued at \$3,000, one dividend was paid, but this year the stock has become worthless. Mr. Flumerfelt took it back and gave us \$1,000 cash in its place. This amount, with subscriptions paid, amounts to \$2,078.67, leaving the deficit as above stated.

I have to report that all the investments are in good shape, also that the interest on unpaid subscriptions is being well met.

The amount of unpaid subscriptions is \$6,477.60.

I herewith present the Financial Statements duly audited by Mr. Preble Macintosh, C.A.

The whole respectfully submitted,

THOS. MOODIE,

Treasurer.

The Trustees of the Congregational College of Canada, Montreal.

DEAR SIRs,—I beg to report having completed the audit of the books of the College kept by Mr. Thomas Moodie, for the year ended May 31st last.

The cash payments have been checked with vouchers and the interest on the investments duly credited.

I have seen the bonds and certificates for stocks as called for in the statement of assets, which I have signed.

Yours obediently,

PREBLE MACINTOSH,

FORTY-EIGHTH ANNUAL REPORT OF THE CONGREGATIONAL PROVIDENT FUND SOCIETY.

Your Directors, in submitting this report have pleasure in recording the following encouragements:—

An increase of about 95 per cent. in the amounts of the annual contributions.

An increase in the value of the assets of both branches of the Society.

An increase in the number of subscribing churches.

The addition of the following members (to be confirmed at present meeting), viz.:—

Rev. C. C. Claris, to R. M. B.; Rev. Matthew Kelly, to W. and O. B.

Your Board regrets to record the death of Rev. John Wood who, for many years, was an annuitant of the Retired Ministers' Branch, and who leaves behind him a memory, fragrant with kindness and loyalty of service.

Your Board, in pursuance of instructions from the last annual meeting, carefully considered the attitude of the Society towards members who removed from Canada, and came to the unanimous conclusion that the present by-laws, both justly and generously cover the situation and should be maintained.

There are fourteen beneficiaries in the W. and O. B., viz.:—

Rev. C. E. Boltcn	Rev. W. W. Smith
“ W. T. Gunn, M.A., B.D.	“ S. Sykes
“ D. Macallum	“ M. Kelly
“ J. McKillican	“ J. T. Daley, B.A.
“ A. Margrett	“ W. McIntosh
“ G. Skinner	“ W. Collins
“ W. H. Warriner, D.D.	“ H. Pedley, B.A.

There are six beneficiaries in the R. M. B., viz.:—

Rev. W. H. Warriner, D.D.	Rev. J. T. Daley, B.A.
“ W. McIntosh	“ H. Pedley, B.A.
“ A. Margrett	“ C. C. Claris

The annuitants in the W. and O. B. remain as before, viz.:—

Mrs. Climie	Mrs. Hindley
“ Peacock	“ Allworth
“ Sanderson	

Those in the R. M. B. are:—

Rev. J. Unsworth	Rev. D. Macallum
“ R. K. Black	“ W. W. Smith
“ S. Sykes	

Your Board recommends that Sections 2 and 3 of By-law III., W. and O. B., be made clearer in interpretation by adding the qualifying sentence, “To apply only in cases where the wife of beneficiary is alive.”

There are twenty-seven contributing churches this year. against eighteen in 1903-04.

While this indicates a growth of interest, it also registers a plea for a further and more general response.

In this connection your Board urgently recommends that the churches agree upon a systematic presentation of the various causes of our denominational work—and suggests that December be designated as P. F. S. month.

The Society is at present administering a valuable—though

from force of circumstances a somewhat modest trust. It presents, however, the nucleus of really large and attractive possibilities.

In anticipation of your generous prayers and sympathetic practical responses.

Respectfully submitted,

ALEX. MCA. MURPHY,

Secretary.

ANNUAL MEETING.

The Nineteenth Annual Meeting of the Woman's Board convened in Emmanuel Church, Montreal, on Thursday morning, June 1st, at 9:30 o'clock, with delegates present from Forest, Frome, Brantford, Toronto (Northern and Olivet), Kingston (First), Ottawa (First and Welcome Zion), Maxville, Granby, Dannville, and from all the Montreal churches. There were also present Mr. and Mrs. Bell, who have been associated with Mr. Currie in his work at Chisamba, and Miss Christina McDougall, of Maxville, who has been laboring in India. Mrs. Macallum, the esteemed President, occupied the chair. The morning was devoted to hearing from the different branches of the Board as to the work done during the year.

London Branch seems to have taken a new lease of life; its report, given by Miss Rawlings, spoke of a most encouraging Branch meeting held on May 23rd, at London, also of a new Y. L. Society and Mission Band formed at Forest.

Guelph Branch, though not represented at the Convention, sent a cheery and hopeful report through its Secretary, Miss Johnston. A new Mission Band has been formed at Speedside.

Paris Branch, as usual, was ably represented, and its report given by Mrs. Wilkes for the Secretary, Mrs. Edmonson, was bright and encouraging. Paris Branch seems to have solved the problem of keeping the different auxiliaries in touch with one another—a problem which is puzzling some of the other branches.

Toronto Branch has closed a year of quiet and steady work, unmarked by any special occurrence save the reorganization of Zion Auxiliary.

Ottawa Branch had not held meetings as a Branch, but reported work done by its several auxiliaries. This branch includes Maxville Auxiliary, which has given so many mission-

aries to various parts of the foreign field.

Quebec Branch is large and very much scattered, including all the auxiliaries in Quebec Province. The Branch Secretary appears to keep the auxiliaries in touch, and the plan of holding alternate meetings in town and country seems to work well.

Reports were also given from Kincairdine and Wingham. We understand that the London Branch purposes taking these auxiliaries, which have been bravely struggling with difficulties, under their fostering care.

Thursday afternoon was fully occupied in hearing reports from the different officers of the Board, beginning with Mrs. Macallum's address, "Seeing Him Who is Invisible," which was listened to with much attention.

The Secretary gave a synopsis of the work, both at home and abroad. Reference was made to the progress at home, as marked by the organization of several new societies, and to the work abroad, at Chisamba, Smyrna and Ceylon.

The Treasurer reported rather less money donated for the work of the Board than last year, but considering the amount raised by the women of our churches for the Jubilee Fund we have no reason to feel discouraged. The figures are \$3,106.59 as against \$3,277.88.

The Editor of the "Leaflet" has made a new departure in the shape of a larger paper with better type. She hopes it may be favorably received by the auxiliaries, and that the circulation may be greatly increased.

On Friday morning after the opening exercises, conducted by Mrs. Bell, the reports of the different departments of work were given by the respective superintendents. One department, that of Systematic Giving, was discontinued, and its place taken by a department of Temperance, with Mrs. Sanderson as superintendent.

The following plan of the work for the year was adopted:--

(1) The work in Chisamba, West Central Africa, including the support of the Misses Melville and Miss Diadem Bell; the Board's share of station expenses; the purchase of the organ needed at the station; and (possibly) the completion of a house for the Misses Melville.

(2) The work in Miss Macallum's boarding school, Smyrna, to which the sum of \$70 was voted in continuance of the scholarship.

(3) The support of a nurse and cot in Dr. Scott's hospital, Manipay, Ceylon (\$50).

(4) The usual grant of \$600 to the C. C. M. S., to be used as they, in their judgment, deem best.

(5) The Forward Movement in the Northwest, no definite sum being promised, but the amounts sent in to be used for the work among the Scandinavians at Wetaskiwin.

Last year's officers were re-elected, and Mrs. H. W. Barker, Toronto, was appointed Assistant Secretary.

A memorial service for the late Mrs. John Wood was held in the afternoon. Mrs. Dr. McLaren conducted this service, and paid a tender and loving tribute to Mrs. Wood's memory.

Mrs. Wood was one of the four charter members of the Woman's Board, and the first to be called home.

The evening meeting was presided over by Rev. Hugh Pedley, and after a few happy words of greeting from himself, he called upon Mr. Bell, who once more delighted us for over an hour with his views of Chisamba and its neighborhood. After closing devotional exercises the Convention was adjourned.

FROM THE MINUTES.

The annual meeting of the Canada Congregational Publishing Company was held in Bond Street Congregational Church, Toronto, on the afternoon of June 9, 1905, Dr. C. J. Copp, Vice-President, in the chair.

The meeting opened with prayer by Rev. J. W. Pedley, after which the minutes of the last annual meeting were read and approved.

The Directors presented the following report:—

REPORT OF THE DIRECTORS.

Your Directors beg to report that owing to the liabilities of the company the publication of the "Canadian Congregationalist" was suspended from June 30 to November 1, 1904. Since the latter date the above publication has appeared every Thursday under the editorship-in-chief of Rev. W. E. Gilroy, B.A., and the co-editorship of Mrs. J. D. Nasmith, Revs. W. T. Gunn, M.A., B.D.; F. J. Day, B.A., B.D.; T. B. Hyde and Messrs. A. McA. Murphy and H. W. Barker, to all of whom we desire to express our warm appreciation for the efforts they have put forth to further the interest of our paper.

Also we desire to thank those who have so liberally contributed articles to our columns, apart from the regular editorials, and trust these brethren will continue their support and be joined by others that our paper may ever increase its standard of usefulness to our denomination.

We regret sincerely the withdrawal of Rev. F. J. Day from our editorial staff. His weekly reports have added much to the paper, and we trust someone will be found to contribute as loyally. We take pleasure in the fact that all our subject matter is now under the control of our editors and that we have a

loyal Congregationalist as our publisher in the person of Mr. W. Edwin Mertens. Our subscription list now numbers 803 names, of whom 318 are in arrears. We thank our subscribers for their assistance in revising the subscription list.

Owing to the late appearance of the Year Book your Directors thought it desirable to send copies to the various churches proportionate to the membership roll with requests that they be disposed of. The result has been the sale of 580 copies with 188 copies still to hear from. The increase in price, to twenty-five cents, was necessitated by advanced prices for printing.

We desire to thank the C. C. Missionary Society, the C. C. Foreign Mission Society, the C. C. College in the person of S. H. C. Miner, Esq., the Central Executive of the Jubilee Fund and the Western Association for their necessary subsidies to our paper. Also Rev. John McKillican and the Maxville Church, Rev. W. S. Pritchard, Rev. R. K. Black, Rev. D. C. McIntosh, Mr. Wm. Woodley and the Western Church, Toronto, Mr. C. J. Spencer and Mr. H. O'Hara for special subscriptions amounting to \$47, to the liabilities of 1903-04 account. This has helped us to present the favorable financial statement herewith submitted.

It was moved by Rev. W. W. Smith, seconded by Rev. Prof. Warriner, that the reports which have just been read be received and adopted. In doing so, both these gentlemen spoke in highly appreciative terms of the editor. The motion was carried unanimously.

Discussion then followed regarding the paper and the Year Book. It was suggested that an agent should be appointed in each church, not only to obtain subscriptions, but to supply the paper from time to time with church news. Rev. J. K. Unsworth suggested the elimination from the Year Book of the postal information.

It was moved by Mr. E. J. Joselin, seconded by Rev. J. T.

Daley, that the following named gentlemen be the Directors for the coming year:—Messrs. Henry O'Hara, James Smith, George Pim, C. Cushing, Rev. J. K. Unsworth, Wm. Woodley, H. W. Barker, William McCartney, and Dr. C. J. Copp.

The meeting adjourned after the pronouncing of the benediction.

The Historical Series for Bible Students

—EDITED BY—

**CHARLES FOSTER KENT, Ph.D., and
FRANK KNIGHT SANDERS, Ph.D., D.D.**

To-day the historical is being more and more generally recognized as the true method of Bible study. Only with a definite knowledge of the conditions and problems of their age can the great characters of the Bible be appreciated and their writings fully understood. The earnest research and fruitful excavations of the past century have revealed a wealth of facts which marvelously illuminate the background of the life and teaching of the Bible and now make it possible to study Judaism and Christianity in connection with the history and religious thought of that ancient Semitic world amidst which they developed. The "Historical Series" as a whole gives a unified and comprehensive view of the nations, men and forces most potent in moulding these two great religions. Accurate maps, chronological charts, etc., are provided, making every volume of the series an authoritative and invaluable handbook for reference.

Leading Canadian Manufacturers of Aerated Waters

AN OPEN LETTER

TO OUR FRIENDS AND PATRONS:

We take this opportunity of thanking you for your constant and liberal patronage for the past thirty-seven years.

On the 1st of May, 1856, we entered the field with the object of assuming the lead in our line of business, and by reason of constant attention and use of the "best" of ingredients, purifiers,

machinery and formulae we have succeeded in earning the merit and appreciation of a large clientele. We have relaxed no efforts in our endeavors to keep our business continually in a thorough "UP-TO-DATE" condition.

The business has been under the direct management of MR. CHARLES GURD for over thirty-seven years. Benefiting by this long experience, we have been enabled to secure the very best results of manufacture. No expense has been spared in securing the highest class of machinery and other equipments for our new factory, and we believe the result gives us the largest accommodation and most approved facilities for the manufacture of Aerated Waters on the continent.

In purchasing PLEASE SEE THAT OUR LABEL IS ON EVERY BOTTLE, as this is a guarantee against inferior substitutes.

With appreciation of your favors,

Respectfully yours,

CHARLES GURD & CO.

It has been our aim from the beginning to supply Canadian consumers with an article of Canadian Manufacture equal, if not better, than any thing imported.
